4	Flood Management works to protect Silchar Town from the erosion of river Barak at Angerjur, Bethukandi and Manikpur area	53.2812	14.01.2013	The scheme was examined and comments of FMP Dte. were sent to State Government of Assam vide letter dated 15.04.2013. comments of Hyd (NE) received vide letter dated 08.01.14. Reply awaited. Reminded on 25.02.2016			53.2812	
5	Protection of Bahari, Phulbari, Bhogerpar, Pazarbhanga and its adjoining area from the erosion of river Brahmaputra	80.0927	24.01.2013	FMP Dte examined the DPR and comments were communicated to WRD Assam vide letter dated 26.03.2014. Reply awaited. Reminded on 25.02.2016			80.0297	
6	Integrated approach for flood and erosion control of river Puthimari under BTC area	156.63	26.02.2013	Hydrology (NE) Dte finalised design discharge 2034 cumec for 50 year return period vide letter dated 4/10/2013. The comments of FMP Dte. were sent to the State Government vide letter dated 05/12/2013. Revised DPR received vide letter dated 10/09/2015.				156.63
7	Raising and Strengthening of Brahmaputra dyke from Bahari to Baghbar including closing of breaches at Pazarbhanga and Manikpur area along with Channelization of river Brahmaputra and reclamation of eroded land within the reach	124.86	08.03.2013	The comments of Hyd (NE) and FMP Dte. were sent to State Government vide letter dated 20.11.2013. The State Government submitted the revised DPR with cost of 124.86 Crore vide letter dated 01.06.2015. Revised DPR was sent to Hydrology (NE) dte for examination on 06.07.2015. Reply from Hyd(NE) received vide letter dated 01/10/2015. The same was sent to State Govt. along with other observations vide letter dated 30.10.2015. Reply awaited.			124.86	
8	Protection of Borbeel, Muwamari and Goroimari from erosion of river Brahmaputra (construction of Land Spur and Tie Bund)	59.5574	15.03.2013	Comments of Hyd (NE) and FMP were communicated to WRD Assam vide letter dated 24.03.2014. Reminded on 04.03.2016. Reply awaited.			59.5574	
9	Integrated flood and river bank erosion management works at Rohmorla	76.12	17.07.2013	Scheme has been cleared by AC-MOWR in its meeting held on 16.10.2014.	76.12			
10	Construction of Brahmaputra byke and Anti-erosion measures along left bank of river Brahmaputra from Dhing to Hilloikhunda (Extension of embankment from Pabhakati to Kasosila Hill)	320.7	15.03.2013	The comments of FMP Dte. were sent to State Government vide letter dated 28.11.2013. WRD Assam submitted a revised DPR of Rs 306.70 crore vide letter dated 27.01.2014. The revised DPR was examined and comments were sent to WRD Assam vide letter dated 26.05.2014. WRD Assam submitted revised DPR on 17.06.2014. Revised report submitted to BCD (E&NE) on 05.08.2014. BCD furnished comments on 19.08.2014. WRD Assam submitted revised report on 27.02.2015. The same has been forwarded to BCD dte on 22.04.2015. BCD comments has been forwarded to State Govt. on 23.07.2015. Response from Hydrology (NE) received vide letter dated 23/11/2015. forwarded to State Govt vide letter dated 01.12.2015. Reply awaited.			320.7	
11	Protection of Kolbari and Lality area from the erosion of river Brahmaputra (Construction of three nos of spurs and a check dam)	56.4956	25.03.2013	The comments of FMP Dte. have been submitted to State Government vide letter dated 01.11.2013. WRD Assam submitted revised DPR 20.11.2014. The DPR has been examined and forwarded to CA (HWF) for cost examination 07.05.2015. CA(HWF) examined the DPR and furnished comments vide letter dated 08.05.2015, the same were forwarded to Assam on 14.05.2015. compliance on cost estimate received on 03.08.15. Cost estimate from Cost Appraisal sent to state govt on 12.08.15. Reminder was sent to State Govt on 03.11.15. Reply awaited.			56.4956	
12	Protection of Brahmaputra dyke at Amguri Pichala area from the erosion of river Brahmaputra	53.36	03.06.2013	State government requested to submit the concurrence of state finance department. DPR examined and TAC Note prepared and Submitted to AC-MOWR 04.02.2015. AC-MoWR considered it during 125th meeting requested State Govt. Representative to submit SFC in Proper format and deferred proposal for next meeting. AC-MoWR, RD&GR in its meeting on 16th July, 2015 decided that this project may be taken as ' deemed returned ' with the proviso that State Govt may resubmit the Project proposal afresh with updated cost of techno-economic appraisal.		53.36		

State/UT wise details of Flood Management Project Proposals (coordinated by CWC) during XII Plan including spillovers as on 21.03.2016

SI No.	Name of works/scheme	Estt. Cost (Rs. In Cr)	Date of Receipt	Status of examination	Cleared	Returned	Awaited	Under examination
13	Protection of village Domgaon, Dababeel, Chotonilibari, Debagaoon, Dangaigaon, Birengaon, Bherbheri, Rowmari, Khagrabari, Sanyashibari, Uttar-Popragaoon and Popragaoon from the erosion of river Aie	128.42	03..06.2013	The scheme was examined by the FMP Dte and comments were sent to State Government of Assam vide letter 31.01.2014. Compliance received from state vide letter dated 01.08.14. Scheme was further examined and comments conveyed on 02.01.2015. Compliance from State Govt was received and DPR Sent to Cost Appraisal Dte on 07.09.15. Reply from Cost Appraisal Directorate received vide letter dated 14.09.2015 which was forwarded to State Govt. vide letter dated 17/09/2015. The response from State Govt received vide letter dated 06/10/2015 which was sent to CA(HWF) vide letter dated 09/10/2015.CA(HWF) has finalized the cost of the scheme.				128.42
14	Construction of Embankment at North bank including fortification existing embankment system to provide flood protection to Majuli island	338.52	25.03.2013	DPR was sent to Hyd (NE) vide letter dated 07/08/2013.Reply from Hyd(NE) was received vide letter dated 27/08/2013 which was forwarded to State Govt vide letter dated 17.09.2013.FMP has sought Comments from Brahmaputra Board vide letter dated 21.11.2013 . BB replied vide letter dated 24.12.2013.Further letter was sent to BB on 29.01.2014. BB replied vide letter dated 16.07.2014.Comments were sent to Hyd(NE) and State Govt vide letter dated 06.08.2014. Further comments were sent to State Govt vide letter dated 20.10.2014.The revised proposal was received on 06.01.2015 and same was submitted to Hyd(NE).Hyd (NE) made comments vide letter dated 10.06.2015 which was forwarded to state govt on 17.06.2015.Compliance submitted onvide letter dated 16.07.2015 .Revised DPR received vide letter dated 24.09.2015 which was forwarded to Hyd(NE) on 24.09.2015.Comments from Hydrology (NE) received vide letter dated 23/11/2015. Forwarded to State Govt vide letter dated 01.12.2015. Reply awaited.			338.52	
15	Protection and R/S to Desang Bund on both banks from Desangpani to Dhai Ali on R/Bank and Challapathar to Desangmukh on L/B at different reaches	376.46	02.01.2013	Hyd (NE) examined the DPR and commnets were communicated vide letter dated 02.04.2014 and the same were communicated to WRD Assam vide letter dated 05.06.2014. The same was reminded vide letter dated 12.12.2014. Reply awaited.			376.46	
16	Assam Integrated Flood and River Bank Erosion Risk Management Project* (Kaziranga Sub Project)	125.33	27.03.2015	Only one set of DPR received vide letter dated 16.03.15 which has been sent to Hyd (NE) 31.03.15 .Requested State Govt. to submit two more sets of DPR on 31.03.15 . Additional sets of DPR received vide letter dated 15.06.2015. One set sent to BCD(E&NE) on 02.07.2015.Comments of BCD sent to state govt on 12.08.15.Comments of Hydrology(E&NE) received on 05/10/2015. State Govt was requested to process DPR through MOWR vide letter dated 24/09/2015. Comments of Hydrology(NE) send vide letter dated 12/10/2015. Reply awaited.			125.33	
17	Assam Integrated Flood and River Bank Erosion Risk Management Project* , Trench-II(Dibrugarh sub Project)	89.87	09.04.2015	DPR sent to Hyd (NE) on 10.04.2015. Received observations from Hyd (NE) vide letter dated 04.08.15. State Govt was requested to process DPR through MOWR vide letter dated 24/09/2015. Comments of Hydrology(NE) send vide letter dated 12/10/2015. Reply awaited. Reply received on 14.03.2016 vide letter dated 02.03.2016. comments of CWC have been sent to State Govt of Assam on 21.03.2016			89.87	
18	Assam Integrated Flood and River Bank Erosion Risk Management Project* , II(Palasarbari Reach Trench-II)	88.06	08.04.2015	DPR was sent to Hyd (NE) on 10.04.2015. Received observations from Hyd (NE) vide letter dated 03.08.15. State Govt was requested to process DPR through MOWR vide letter dated 24/09/2015. Comments of Hydrology(NE) send vide letter dated 12/10/2015. Reply awaited.			88.06	
19	Assam Integrated Flood and River Bank Erosion Risk Management Project* , for Gumi and its Downstream area Trench-II)	82.4	08.04.2015	DPR sent to Hyd (NE) on 10.04.2015. Received from Hyd (NE) vide letter dated 04.08.15. State Govt was requested to process DPR through MOWR vide letter dated 24/09/2015. Comments of Hydrology(NE) send vide letter dated 12/10/2015. Reply awaited.			82.4	
20	Anti-erosion measures to protect Bor-Dirak, Na-Chumoni and its adjoining areas from the erosion of river Noa-Dehing & Dirak	14.1510	07.01.2013	Cleared by CWC/PC	14.1510			
21	R/S o R/B embankment of river Aie from ch. 0 m to ch 2200 m and from ch. 8000 m to 18000 m including A/E measurement at different reaches	111.46	02.01.2013	Comments issued in April 2013. Reminded on 30.01.2015. Reply awaited.			111.46	
22	Improvement of Flood Protection System along the both bank of river Brahmaputra	4454.09	15.10.2014	A Copy of DPR without drawing volume was received vide letter dated 22/09/2014 and State Govt. was requested to submit at least one more set of DPR vide letter dated 21.10.2014. Reminded vide letter dated 12.11.2014 ,10.12.2014 and 16.04.2015. Reply received from State Govt vide letter dated 06/06/2015. A copy of DPR was sent to Hyd(NE) Dte for examination. Comments of FMP Dte were sent to State Govt on 11.08.15. Response from State Govt. received vide letter dated 31.08.2015. Observations from Hydrology(NE) received vide letter dated 22/09/2015.Comments from Hydrology (NE) and other observations sent to Govt. of Assam vide letter dated 17/12/2015. Reply awaited.			4454.09

23	Puducherry							
1	Project Report on Flood Protection Works in Yanam Region of Puducherry,	139.67	25.07.2008	Proposal was received on 25.07.2008. After examination by CWC, the proposal was cleared in 101st TAC of MOWR, held on 30.11.2009. Investment Clearance has been accorded by the Planning Commission and funds amounting to Rs.7.5 Crore were released during 2010-11 and was scheduled to be completed by 31 March 2012.. Monitoring team of CWC at Bangalore visited the project in July, 2011 and inspected the on- going works. It was found by the monitoring team that the progress was unsatisfactory. Monitoring team has not recommended for release of 2nd installment as the Government of Puducherry has not submitted the required certificates viz. State Budget allocation for 2011-12, concurrent evaluation report and construction programme till completion of the project. Government of Puducherry has been requested for sending the required documents vide letters dated 16.08.2011, 3.11.2011, 14.12.2011 and 20.01.2012. Government of Puducherry, vide letter dated 14.10.2011, submitted the revised quantities of project for which Government of Puducherry has been requested to submit the revised DPR vide letter dated 3.11.2011. The response from CE, PWD, Govt of Puducherry was received on 13/4/2012 which was replied on dated 25/4/2012 for sending the required documents. Concurrent Evaluation Report along with physical and financial progress report was received from CE, PWD, Govt of Puducherry on 01/05/2012. However, the observations to the same was sent vide letter dated 14/05/2012. It was known through Govt of Puducherry letter dated 13/09/2012 that a CBI enquiry was being conducted for the allegedly forged damage assessment report and the scheme was temporarily kept on hold. In this regard, a letters dated 26/03/2013 and 26/04/2013 have been received from MOWR that if the findings of CBI do not affect the viability and justification of the project then the required documents may be sent to CWC for further processing and the work may be resumed. The comments on the hydrology aspect of the project was sent to CE PWD Puducherry	139.67
