User Manual for WebVPN

The following steps need to be followed to make of use of WebVPN to access the applications conveniently,

- A. First time login
- B. Register Mobile Token for OTP
- C. Change password (for non-gov, non-nic email addresses only)

A. First time login

1. Please type the URL <https://saccess.nic.in> (s[ecure] access) in the address of a browser.

2. Login using registered email address as username including @domain.
The password for **government email addresses** like @gov.in, @nic.in, @mea.gov.in etc. is the same as the email account password and cannot be changed from the change password option.
The password for all other **non-government email addresses** like @gmail.com, @yahoo.co.in, @rediffmail.com etc. is provided to the user and needs to be changed on successful login.

3. Second factor of authentication requires users to enter an OTP which can be obtained using any of the three method viz. Email, SMS and Mobile App. SMS and Email are dependent on the signal strength and data connectivity. Hence best way to obtain OTP is Mobile app based token.
