Government of India
Central Water Commission
Training Directorate

No.A-33022/22/2019-TRNG DTE/

dated: .08.2020

Circular

National Water Mission, DoWR, RD & GR has been organizing the "Water Talk" through offline/online mode for the past few months. The **16th Water Talk** will be organized in online mode by NWM on **21st August, 2020 from 3 to 5 PM in CISCO-WEBEX platform**, which will be also **live-streamed on Social media platforms**.

With a view to expand the outreach of the water talk, it has been decided that officers / staffs at all levels in CWC may be encouraged by their controlling officers to participate in the event, by ensuring that the required office work does not get hampered.

Officers / Staffs can participate by registering themselves using the web link as and when circulated.

This issues with the approval of Chairman, CWC.

Encl: as above

राष्ट्रीय जल मिशन/NATIONAL WATER MISSION

Dear Shri Jain,

New Delhi, dated 22 July, 2020

As you are aware, National Water Mission (NWM) has been organizing a lecture series 'WATER TALK' to promote dialogue and information sharing among participants on variety of water related topics since March 22, 2019. The aim of 'WATER TALK' is to stimulate awareness, build capacities of stakeholders and encourage people to become active participants to sustain life by saving water on earth. Sharing ideas among participants enhances knowledge, ensures consistent dissemination of information and build capacities in better water management. The lecture series is conducted on the third Friday of every month wherein leading water experts are invited to present inspiring and broadening perspectives on current water issues in the country.

2. NWM has so far organised fifteen water talks so far where prominent people from the water sector delivered their talk. The last three water talks were organised in a webinar format (e-Talks) following Government's ban on public gatherings due to the threat of COVID-19. NWM's initiative has gained immense popularity over a period of time and the last i.e. 15th Water Talk had attracted attention of more than 39,000 viewers. The last water talk was live streamed on the facebook pages of DoWR, RD & GR, NWM, NMCG, CWC and Water Digest.

3. Secretary, DoWR, RD & GR has desired that outreach of the water talk should be expanded and the target is to reach 1 lakh participants during next water talk. He has directed that all the organizations of the Department should invariably participate in the water talk. NWM will be organizing 16th Water Talk on 21st August, 2020 from 3:00- 5:00 PM on CISCO-WEBEX platform.

4. I would request you to join the forthcoming 'WATER TALKS' and you may also like to direct the officers and staff of your organizations to attend the water talks in maximum numbers.

5. Since the 'Water Talk' series is one of Ministry's successful initiatives and in order to broaden its outreach, it is also requested to make arrangements for live-streaming of the talk on your respective social media platforms. Water Digest, our partner in organizing water talk, will contact you in this regard.

with best wishes,

Yours sincerely,

(G. Asok Kumar)
