thank you sir, you are the first member to provide a list of names

we will definitely call those shortlisted by you below (tushaar is already a member of our committee)

we are drawing up a comprehensive list of people to call for submissions

we will try to be as inclusive as possible while also keeping in mind the quality of inputs they can provide

we plan to have the first set of submissions in the third meeting to be held on 23rd december

my idea is that they can make an oral submission for 10 minutes and also provide a written submission which should be their specific inputs into the NWP

we can discuss this further in the meeting on the 25th

warm regards

mihir

Dear Dr Mihir Shah

Greetings

I am attending the 2nd meeting of the drafting committee on 25th November 2019.

May i suggest that the Committee may interact with the water sector professionals.

There are many but I suggest following 8 professionals for interaction. The modalities may be

decided by you.

with warm regards

R C Panda

we also need to seek an appointment with the Parliamentary Standing Committee on Water Resources after giving them sufficient notice so we can hear the voice of the MPs and their suggestions for the NWP

please help us arrange that

On 07/12/19 4:01 PM, Mihir Shah wrote:

Dear Upendra

As you know the work of our NWP Committee is going very well. We had a very good meeting with the Hon'ble Minister also the other day

We have started the process of stakeholder consultations

As per the advice of the Hon'ble Minister we would like to hear from the States also. As per his advice we would like to make sure all the States get an opportunity to present their views. Hence we have allotted 2 full days for their presentations. These would be 7th and 8th of January 2020

May I request you to kindly write to the States to invite them for their submissions on these dates. In particular, we would also like to hear from some specific officers as listed below, who have done exemplary work related to water:

1. Government of Meghalaya - Aibanshngain Swer – aibanswer@gmail.com
2. Government of Nagaland - Albert Lotha – albertngullie@gmail.com
3. Government of Maharashtra – Director, GSDA – director.gsda@gmail.com
4. Government of Madhya Pradesh – ACS, Gauri Singh - gauriysingh@gmail.com
5. Government of Sikkim – Sarika Pradhan – jsrmds.sikkim@gmail.com
6. Government of AP – Vijay Kumar - vjthallam@gmail.com
7. Government of Maharashtra - Malini Shankar malinishankar@gmail.com

Thanking you

With warm regards

Mihir

1. Neeru Bansal

Professor at Center for Environmental Planning and Technology

She has worked for the implementation of environmental legislation in India, for the prevention and control of pollution from industries and urban areas. *Will be good to have her views on policies related to pollution control.*

Email: bansal.neeru@cept.ac.in, neeru@cept.ac.in

2. Ranjana Ray Chaudhuri

Lecturer at TERI School of Advanced Studies

Water planning, water demand management (*we can ask her to focus on water tariff*), integrated watershed management, ground water management and water optimization methods.

Email: ranjana.chaudhuri@terisas.ac.in, Phone: 8459434584

3. Krishanu Karmakar

Assistant Professor & Assistant Dean, Jindal School of Government and Public Policy

His research interest covers change and dynamics of public policy, tax and government expenditure policies, and fiscal federalism.

Email: kkarmakar@jgu.edu.in

4. Priyanka Jamwal

Fellow, Centre for Environment and Development, ATREE

Water pollution, including point and non-point source pollution, biological and industrial contamination, and surface and ground water, and determining pollution abatement through wastewater treatment and contamination/decontamination approaches in water distribution network. *Will be helpful to get her inputs on wastewater management*

Email: priyanka.jamwal@atree.org, priyankajamwal@gmail.com Phone: +91-94805 24560

5. Veena Srinivasan

Fellow, Convenor - Centre for Environment and Development, Programme Leader - Water, Land and Society, ATREE.

Research interests include inter-sectoral water allocation, impacts of multiple stressors on water resources, ground and surface water linkages, and sustainable water management policy and practice.

Email: veena.srinivasan@atree.org, veena.srinivasan@gmail.com Phone: 99723 99879

6. Vishal Narain

Professor, Public Policy & Governance, MDI Gurgaon

Inter-disciplinary analyses of public policy processes and institutions, water governance, gender,

rights and equity analyses in water management, periurban issues and vulnerability and adaptation to environmental change. *For peri urban and informal water I think Vishal is the best person.*

Email: vishalnarain@mdi.ac.in

7. Sahana Goswami

Manager, WRI India Sustainable Cities

She works on urban water issues with a focus on reuse and resource recovery from urban wastewater streams. At WRI India, she has also worked on transit-oriented development and provision of safe access to transit station areas across urban centers in India.

Email: sahana.goswami@wri.org, Phone: +91 80 4890 8806

8. Dinesh Mehta

Professor Emeritus at CEPT University

Specialties: urban management and housing; urban finance, governance and environment.

Currently, *he is working on a research project for benchmarking water and sanitation services.*

Email: dineshmehta@cept.ac.in, dineshmehta100@yahoo.co.uk Phone: +91-79-26763175(h), cell +91-9898200148(m)

9. Meera Mehta

Professor Emeritus, Faculty of Planning, CEPT University

Joint Director, Centre for water and Sanitation, CEPT University

Over three and a half decades of extensive experience in diverse fields: institution development and *finance for water and sanitation; urban development policy and finance*; infrastructure finance; sector monitoring systems; housing; private sector participation; community finance and NGO support.

Email: mmehta1949@hotmail.com, meeramehta@cept.ac.in Phone: +91 9898200147

10. Shyam R. Asolekar

Professor, Environmental Science and Engineering, IIT Bombay

Interests: Hazardous, municipal & biomedical waste management, Eco-centric and low-cost wastewater treatment, Treatment of leachates and special industrial wastewaters, *Environmental policy and preventive environmental management, Recycle and reuse of effluents.*

Email: asolekar@iitb.ac.in, Phone: +91-22-25767867

11. S Manasi

Associate Professor, Centre for Research in Urban Affairs (CRUA)

Area of Specialisation: Urban Governance, Urban Ecology, Water Resources Management,

Waste Management

Email: manasi@isec.ac.in, Phone: 080-23215468, 23215519

12. Smriti Das

Associate Professor, Department of Policy Studies at TERI-SAS

Her area of work includes gender and resource politics.

Email: smriti.das@terisas.ac.in

13. Bhawana Upadhyay

International Water Management Institute (IWMI)

Water and gender

Subject: NWP2020 - Draft of River Restoration inputs into the Policy document

Date: Fri, 7 Feb 2020 13:39:05 +0530

From: Yamuna Jiye Abhiyaan <yamunajiye@gmail.com>

To: Mihir Shah <mihirbhai25@gmail.com>, Shashi Shekhar
<shkhar.shashi1956@gmail.com>, Joy KJ <joykjjoy2@gmail.com>

CC: Ravi S P <spravi.18@gmail.com>

Dear Dr Shah,

Greetings.

Please see the enclosed. It is the text based on the presentation made by me the other day. It also has portions from a previous presentation as made by Sri Ravi S.P.

While we are aware that a 7 page document can of course not find a place in its entirety in the Policy Document, certainly relevant portions could be carried as deemed fit. The document could of course be carried as an appendix if such a practice is found useful by the Committee.

Thanks and warm regards,

manoj misra
