With reference to above RTI Application, which is received in this office on dt 01-06-2021 from Director Project Appraisal South Directorate, CWC, New Delhi along with First appeal of the applicant. The point wise information, as available in WP&P Wing of CWC, is as under:

S. No.	Information sought	Information/Reply
1	Who are the members of the Advisory Committee of your organization their names and addresses and other details at the time of comprehensive final approval. When was such meeting held and the certified copy of the minutes of the original proceedings be furnished	Reply/ information available for Sl.No 1 to 11 has already been Provided to to Applicant, vide letter no I-12011/41/2019-WPP Coord/I/18180/2020. Dated 24.04.2020(copy attached).
2	Without the comprehensive approval, how can the state government proceed with the works. Have you segregated your assessment for the works already done and the redesigned works have been assessed by you. It is totally absurd that you have considered the project as ONGOING project illegally. Do you have the enough authority to do so	
3	Grossly you have not followed your own guidelines in approaching this most corrupt ridden and meaningless project. Do you endorse this statement or not	
4	Please advise whether the then central

	minister was circulated with this file, if so his remarks may be communicated to me along with the records thereof	
5	It is highly illegal for your chairman and other members to visit the works in tasteful manner and enjoy the state government hospitality time and again having not given the comprehensive sanction. Please give the reasons thereof	
6	The projection cost of the agriculture produce as a result of this project, the power costs, the inputs and outputs for the purpose of B.C. ratio have been criminally and grossly manipulated by you inclusion with the state government which- clearly suggest large scale corruption at all levels	Reply/ information available for Sl.No 1 to 11 has already been Provided to to Applicant, vide letter no I-12011/41/2019-WPP Coord/I/18180/2020. Dated 24.04.2020 (copy attached).
7	You have endangered the lives of millions of people of the State more particularly Hyderabad (just 70 kms away) by approving the parallel barrage at Mallannasagar of a reservoir of 50 TMC which can induce a koyna type seismic effect when completed and breach of the reservoir	
8	It is a gross misconduct and dereliction of duty on the part of AWC that you are reporting NIL about the interstate agreement having raised the question yourself to the state government.	
9	It is enough proof that you commission has not considered the risks and maintenance burdens in your assessment to show that you have indulged in large scale corruption in this project including your minister. The project is a colossal failure in the history of irrigation of this country. You are now answerable to the people of the state who have been pushed into a permanent debt trap. The state government is saying that they have changed the project at your instant	
10	A skeleton NOTE to the advisory committee is not the final sanction, please note.	

I/59877/2021(1)

11	Kindly issue immediately orders to the state government to stop all the further works and recommended for CBI enquiry in the matter.	
12	Please inform as to whether your organisation Central Water Commission is a statutory body empowered with granting mandatory TECHNO ECONOMIC FEASIBLE REPORT for the Irrigation Projects in the country	Central Water Commission is a premier technical Organization in the field of Water Resources in India and has been involved in appraising the major & medium irrigation, flood control & multipurpose projects. For streamlining the submission, appraisal and acceptance of irrigation & multipurpose project proposals from the States, Guidelines have been issued in 2010 & 2017. Moreover, Advisory Committee on irrigation, flood control & multipurpose projects is headed by Secretary, Water Resources, DoWR, RD & GR, MoJS and is empowered to consider and accept DPR on behalf of Govt of India.
13	Please forward a certified copies of the DRRs of Dr. B.R. Ambedkar Pranahita-Chevella Sujala Sravanti Project(2010) and Kaleshwaram and Dr. B.R. Ambedkar Pranahita projects submitted the State Government of combined A.P. and Telangana and your compressive final approvals.	Being the third party documents, DRRs of Dr. B.R. 	of this project before and after changing the design.	directly from State Govt. Also, see reply of Point No 18 & 19
16	Several of the phases have been left/relinquished after such works were deleted after spending hundreds and thousands of crores in the name of redesigning. Please furnish the details thereof as notified to you by the state government and as noticed by you in your various inspections/visits	
17	On several occasions you have asked the Government of Telangana to conduct SIMULATION TESTS in the project & submit to you the reports of the same which you have approved. Within a week the Government has submitted to you the manipulated reports to you. It is not possible to conduct the said tests within 5 or 6 days. You are hand in glove with the government. However, please send all the copies of the Simulation Test Results as submitted to you by the government with your office file/records of approval. Also inform me the time required time for such tests to be conducted.	No specific information is available in WP & P wing of CWC. Therefore may be treated as Nil as far as CPIO WP&P Wing of CWC is concern.
18	So many packages, so many reservoirs, so many canals, millions of units of power and so many phases. No scientific approach. The redesigned project is politically motivated for corrupt personal benefits. You have not even evinced to test the success of the project with at the starting phase. This evidently shows your better carelessness. Please furnish the copy of the letter you have addressed to the State Government in this regard	As subject matter related to Package wise contract management, detailed planning, designing pertain to State Govt, Applicant may get the information directly from State Govt. However, it is also submitted that Project authority had submitted CDO certificate during appraisal process as Design and planning was carried out by Office of Chief Engineer, Design Unit, Govt of Telangana. Hence CWC has examined the project proposal as per the laid down procedures and existing appraisal guidelines and norms.
19	Please furnish the copies of the agreement reached by the contractors with the government and among themselves which is	

I/59877/2021(1)

	mandatory for the state government to submit to you.	
20	The B.C. ratio 1.51 has been manipulated/fudged/adjusted with lower figures at the cost of production and with higher figures at benefit level. The cost of power is shown as Rs. 3/- per unit for irrigaiiori purpcso . Fiease furnish the poiticLiorS Gl average cost of power at national level. The agricultural produced has been unduly increased multifold. You have just approved the B.C. ratio 1.51 with closed eyes for reasons best known to you. Please narrate the reasons thereof.	However, for point no. 20, it is to submit that the computation of BC ratio of the said Project has been finalized as per the procedure detailed in the Guideline of CWC " <i>Guidelines for preparation of Detailed Project Report of irrigation and multipurpose projects, 2010</i> ", according to which, the rate of energy charges applicable in the said state are to be considered while computing the annual cost. Further, the yield, rates and cost of cultivation (viz. seeds, manure, labour etc.) of crops in pre-project and post project scenario, as approved by the Director, State Agriculture Department, as per the format given in the above mentioned CWC Guideline are to be considered for the purpose of estimating the agricultural benefits. Accordingly, the rate of 'Energy charges', as approved by TSTRANSCO, Government of Telangana and 'Crop yield, rate of produces & cost of cultivation', duly verified by Director of Agriculture, Govt. of Telangana have been considered in the BC ratio computation.

In the context of the above application, it is also informed that as per Seventh Schedule, article 246, List 2 State (17) of constitution, the water is the subject of the state government and the state has the right to take decisions or make plans regarding it. Therefore, the applicant is requested to apply / contact the concerned State Government Ministry / Water Resources Department/Local Authorities
