Transforming Dispute Resolution

All India Conference on "Arbitration in India - Current Issues & Trends"

In many parts of India, rapid development has meant increased caseloads for already overburdened Courts, further leading to notoriously slow adjudication of commercial disputes. As a result, alternative dispute resolution mechanisms, including arbitration, have become more crucial for businesses operating in India as well as those doing businesses with Indian firms.

In order to propagate, promote and popularize the settlement of domestic and international commercial disputes by alternative dispute resolution, National Arbitration Council is organizing an **All India Conference on "Arbitration in India - Current Issues & Trends" from 24th-26th May, 2018 at Hotel Eastend, Munnar, Kerala.**

The All India Conference on "Arbitration in India - Current Issues & Trends" seeks to provide impetus to commercial arbitration in India, which is gaining pace across the world as a quick and more efficient dispute resolution mechanism outside the Courts.

The above Conference will provide an active platform for participants to express their views and engage in interactive debates and also discuss the future of Arbitration in India.

This Conference will enable the concerned officials to equip themselves with the latest trends in Arbitration which they will be able to inculcate in their Civil, Construction, Oil & Gas, Insurance, Electrical, and Engineering Contracts & Agreements. This will also facilitate them to augment their businesses through speedy resolutions of disputes outside the Courts.

You are therefore, requested to nominate a delegation of personnel's from Contracts, Legal, Finance, Administration, Commercial, Materials, Purchase, HRD, Company Secretary, Vigilance departments, Tendering officials, Agreement executants, Research scholars and Academia to enhance their knowledge & skills while executing any domestic/international Contract or Agreement and also from your sub-ordinate and attached offices to the said Conference.
