ANNEXURE**Introduction:**

Existing Probity Portal which was launched in the year 2017, has been revamped into new Probity Portal to collect the accurate data on various new data points/parameters which will ultimately help to generate comprehensive reports on various parameters relating to Probity.

Major Penalty Proceedings and Minor Penalty Proceedings:

For Major Penalty Proceeding cases, data is to be entered on 25 data points. For this module, data is to be entered in respect of Group A officers only. While entering the data on new Portal for these modules, each field is mandatory to fill up in sequence and user cannot proceed by skipping any of the previous field(s). Present status of the case is also to be selected while updating the data on monthly basis. If the affected person has/had challenged the proceedings in CAT/Court, then the same is required to be filled up. If the Appeal/SLP has been filed (either by the affected person or the Department), the same is required to be filled up alongwith latest status of the litigation in the remarks column.

Sanction for Prosecution:

In the erstwhile Portal, only numeric data for pending sanction for prosecution cases was collected. Whereas on the new Portal, the user Ministries/Departments/CCAs is required to fill up various important entry fields/data points in sequential manner considering the extant provisions for grant of sanction. The data regarding pending sanction for prosecution cases is to be entered in respect of all public servants (serving or has served). For this module, data is to be entered on 27 data points. While entering the data on new Portal for sanction for Prosecution, each field is mandatory to fill up in sequence and user cannot proceed by skipping any of the previous field(s). Present status of the case is also to be selected while updating the data on monthly basis. If the affected person has/had challenged the sanction order in CAT/Court, then the same is required to be filled up. If the Appeal/SLP has been filed (either by the affected person or the Department), the same is required to be filled up alongwith latest status of the litigation in the remarks column.

Review under FR 56 (j)/similar Rules

If the affected person has/had represented before the Representation Committee, challenged the order in CAT/Court, then these details are required to be filled up. If the Appeal/SLP has been filed (either by the affected person or the Department), the same is required to be filled up alongwith latest status of the litigation. Any other relevant information may be indicated in the remarks column. While entering the data on module, each field is mandatory to fill up in sequence and user cannot proceed by skipping any of the previous field(s).

Instructions for new Probity Portal:
