परिपत्र

TC directorate is entrusted with the work of providing the consolidated replies to the reports received from the various Parliamentary Committee. These replies are prepared based upon the inputs received from various wings and sent to DoWR, RD & GR after the approval of Chairman, CWC

However, it is seen that many times the material is sent with the approval of concerned Chief Engineer/Director only.

It has been decided that the henceforth the consolidated inputs of the wings on the same shall be sent to TC directorate after the vetting of their respective Members.

This issues with the approval of the Chairman, CWC.
