Date: 29.05.2023

To

All Chief Engineers,
Regional Offices,
Central Water Commission

Sub:- Outreach activities on Mission LiFE (Lifestyle for Environment) – reg.

Sir,

I am directed to refer to this office e-mail dated 19.05.2023 vide which a list of proposed activities under DoWR, RD & GR has been circulated to be carried out by various regional offices of Central Water Commission in connection with celebration of World Environment Day on 05th June, 2023. The said action plan also includes plantation drive at CWC (Hq) and its field offices.

In this regard, it has been decided that CWC may take part in plantation drive on large scale occasion of World Environment Day. Therefore, CWC regional offices up to the site office may ensure plantation of maximum number of trees possible on occasion of World Environment Day on 05th June, 2023. The plantation done prior to 5th June in ongoing drive under Mission LiFE would be part of that. The detail of such events held under Mission LiFE as well as on 5th June and number of trees planted under this drive may be communicated to this office by 06th June, 2023 evening positively. Some photographs of the events may also be shared.

Yours faithfully,

(Shekharendu Jha)

Director
WSE Directorate
