Sub: Deputing officers from CWC for delivering lectures in the training programmes organized by NWA, Pune.

Sir,

It has been indicated by Secretary, CWC that NWA, Pune does not keep provisions for reimbursement of TA/DA from their own funds to the CWC officers (either from Headquarter or field) who are being called to NWA, Pune as faculty, which needs to lot of difficulties as provisions of funds under Non Plan (DTE) are not adequate resulting into non-payment of such bills to such officers for long time.

In view of the above, it is requested that NWA, Pune, may keep the provision in their estimate for reimbursing TA/DA to the faculty members being called by them from CWC (headquarter/field) as there are sufficient provision of the funds in NWA, Pune under plan scheme

Is this with the approval
of Chairman CWC?

Yours faithfully

Sir,

Vide the above reference, CE, NWA, CWC, Pune has requested for modification of delegation of power to him in respect of re-imbursement of TA/DA to the visiting faculty. The proposal has been examined for different category of faculty and the decision of the competent authority is indicated as below:-

Sl. No	Category of faculty	Decision of the competent authority
a.	Serving officers of CWC/MoWR and entitled for air travel	There is an established procedure formulated by Training Directorate regarding finalization of faculty from CWC in a training programme organized by NWA. The Faculty so finalized gets the tour programme approved (as per his entitlement) by competent authority in CWC for visiting NWA, Pune to deliver lecture. In such cases, there may not be requirement of any delegation of power to CE, NWA as the tour programme of CWC faculty is approved by competent authority and NWA is to only reimburse the TA (with air fare)/DA. Similarly, there may not be any issue on reimbursement of TA (with air fare) / DA for faculty delivering lecture in training programmes organized by NWA to officers from MoWR.
b.	Serving officers of other Central Government offices and entitled for air travel	In this case also, there may not be any requirement of delegation of power to CE, NWA as the process of tour programme approvals as per their entitlement according to GoI rules and reimbursement of TA/DA to officer on tour is standard in
