Office Memorandum

Subject: Confirmation/clearance of the probation period of the officials in the grade of Junior Engineer (Civil & Mechanical)-regarding.

Ref: CWC's OM A-31015/2/2023-ESTT-VI dated 15-05-2023 & subsequent reminders dated 04-07-2023, 08-08-2023 and 18-09-2023.

I am directed to refer to this office earlier communications vide which the concerned Controlling Officers were requested to provide required inputs (Assessment Reports / Vigilance Clearance/ ITP Certificate) for processing the proposal for confirmation/clearance of the probation period of Junior Engineer (Civil & Mechanical).

It has also been noted that despite numerous reminders, the controlling officers have yet to forward the Assessment Reports, Vigilance Clearance, and ITP Certificate for the junior engineers listed in the Annexure. There are only a few cases remaining for which the necessary documents are still pending. It is essential to reiterate that controlling officers will bear full responsibility for any further delays in the confirmation process for these officials

In view of the above, **the following actions are urgently required on the part of Controlling Officers:**

- 1. Submission of Assessment Reports:** Assessment Reports for the first and second year of service for Junior Engineer listed in Annexure to be provided within seven (7) days from the date of this memorandum.
- 2. Fresh Vigilance Clearance:** Fresh vigilance clearance to be provided for the Junior Engineers listed in Annexure whose existing vigilance clearance is about to expire.
- 3. Copy of ITP Certificate of officials mentioned in Annexure**

The aforementioned documents should be sent via email to **estt6@nic.in**.
