Office Memorandum

**Subject : Monitoring of Court Cases in LIMBS – regarding**

The undersigned is directed to refer to the above subject and to say that Ministry of Law & Justice (MoL&J) has implemented Legal Information Management & Briefing System (LIMBS) to monitor the court cases on behalf of Union of India. MoL&J has emphasized regular updation of court cases pertaining to Ministries/Departments. However, while monitoring the LIMBS portal, it has been observed that the details of Court Cases are not being updated regularly in the LIMBS portal by many organizations under MoWR, RD & GR. The following deficiencies have been observed:-

- (i) Users have not logged in the portal even once since inception, whereas many others have not been logging in the portal regularly. (Annexure-I)
- (ii) Users are not updating the details of the court cases properly such as details regarding next date of hearing, advocate name and contact number, concerned officers details, updated status of the court case. (Annexure-II)
- (iii) Court cases are at draft stage in the portal, meaning that the details of the cases have not been updated after initial data entry stage. (Annexure-III)
- (iv) Some of the officers who were made local administrators to monitor the court cases in LIMBS have either retired or have been transferred. However their details are still being shown in the LIMBS portal.

2. In case of transfer/retirement, new local administrators are required to be created in their place by substituting their details. In this regard prior intimation about the transfer/retirement of the officer and the details of the new officer taking over the charge should be intimated to the LIMBS team of Department of Legal Affairs who will carry out the necessary changes. **For any queries in the matter, Ms. Spriha Johari, team**
