D.O. LA-85014/2/2023-LIMBS

13<sup>th</sup> December 2023

Dear Secretary,

As you are aware, the web portal, '**LIMBS**' developed by the Department of Legal Affairs in association with NIC contains the details of litigation pertaining to the Union of India (UoI) pending before various Courts/Tribunals in the country. Details of more than one million cases involving UoI is available on the portal. The continuous upgrading of the LIMBS portal and addition of new features in it, along with API linkages with various Tribunals, District Courts and the High Courts and most recently with the Supreme Court's data base has enhanced its utility for effective monitoring of the litigation at all levels.

2. The portal should be used by your Ministry/Department to effectively monitor the cases, in which your Ministry/Department is made a party. The Department has the option to set the priority of pending cases by choosing **high, medium and low priority button**. The new fields of '**action points**' to be undertaken by the Ministry/Department and the '**officer responsible**' for the same helps in monitoring of cases and timely compliance of the order or direction of any Court or Tribunal.

3. In order to strengthen litigation management, you may issue suitable instructions to the users of LIMBS of your Ministry/Department for utilizing the new features available on the portal and updating the current status of the Court cases/Arbitration/AMRCD/AMRD matters at the earliest. A statement showing status of Ministry wise cases and usage of LIMBS is enclosed for your reference. The technical team of LIMBS [Shri Himanshu Saraswat (Mobile-8800279152) and Ms. Monika Kaushik (Mobile-8510042202) email - legis@nic.in] is available to assist the users of your Ministry/Department, in case of any difficulty.

With regards,

Yours sincerely,

*N. Chandra*
