परिपत्र / CIRCULAR

Central Water Commission in year 1988 published “**Guide Book on Use Rate Hire Charges and Transfer Value of Equipment and Spare Parts**” related to Plant Machinery. This Guide book has not only been widely used by Irrigation and Power sector Equipment Managers but also utilised by other sectors using heavy earthmoving and construction Equipmment.

Since publication of this guidelines long time has elapsed, it is endeavour of CWC to incorporate the developments in field of plant machinery and equipments sector in the guideline.

Central Water Commission is in process of revising / updating the “Guide Book on Use Rate Hire Charges and Transfer Value of Equipment and Spare Parts” In this regard, view are hereby sought from Engineers, project managers and concerned stakeholders regarding various issues which need to be covered under these guidelines alongwith changes recommeneded to reduce the conflicts / disputes arising in Use Rate Hire Charges and Transfer Value of Equipment and Spare Parts.

All interested may submit the view through email at ID cepomi@nic.in, cbdte@nic.in, wue2047@gmail.com or through by post at following address:
