Dear Atul ji,

The sixth edition of the Jal Shakti Abhiyan: Catch the Rain (JSA: CTR) 2025 was formally launched on 22nd March 2025 at Panchkula, Haryana, on the occasion of World Water Day, by the National Water Mission, Department of Water Resources, RD & GR, Ministry of Jal Shakti, in collaboration with the Ministry of Environment, Forest and Climate Change (MoEF&CC) and the Government of Haryana. The launch event was graced by the Hon'ble Minister of Jal Shakti and the Hon'ble Chief Minister of Haryana.

The campaign, under the theme "Jal Sanchay Jan Bhagidari – Jan Jagrukta Ki Or", focuses on 148 priority districts identified by the Central Ground Water Board (CGWB), including 102 over-exploited, 22 critical, and other groundwater-stressed districts. To support district-level implementation, Central Nodal Officers (CNOs) and Technical Officers (TOs) from various organizations under the Department of Water Resources, RD & GR, Ministry of Jal Shakti, have been nominated. These teams are scheduled to undertake their first visits from May 2025 onwards.

To facilitate uniform understanding of the campaign framework and ensure effective coordination during implementation, a Workshop-cum-Orientation Programme is being organized on 8th May 2025 at the Dr. Ambedkar International Centre (DAIC), New Delhi. The agenda is enclosed for reference.

In this regard, it is requested that you may kindly issue necessary instructions to the Technical Officers nominated by CWC (as per the list shared) to attend the workshop
