7. The hiring charges shall be on the basis **zero based mileage**, starting/ending the place where the vehicle is directed to report or is released.
 - A **daily record** indicating time and mileage for a vehicle on duty shall be maintained in a log book as per the Performa approved by the Engineer-In-charge, with successful tenderer. It shall be the duty of the driver to obtain on each duty day, the signature of the officer to whom the vehicle has been assigned. In case the driver has not been able to obtain the signature of the user, driver shall submit the same to Engineer-in-charge for information. Failure to do so would result in non-payment of the hire charges for that day. The log book shall be made available for periodic inspection of the Superintending Engineer, PC, CWC, Faridabad, from time to time. Cutting and over writing in the log book will not be taken into account unless countersigned by the officer nominated by the Superintending Engineer, PC, CWC, Faridabad. **The payment to the contractor will be done on monthly basis upon submission of running account bills in duplicate on a working day latest by the 5th of succeeding month in the O/o Superintending Engineer, PC, CWC, Faridabad.** Photocopy of log book duly signed by the users must be submitted along with the bill. Any discrepancies related to journey, if found, will not be accounted for payment. The decision of Engineer-in charge in this regard shall be final and binding on the contractor.
8. Deduction of tax at source (**TDS**) as per applicable rates prescribed under the Income-tax Act, 1961, shall be made by the Executive Engineer, PID, CWC, Faridabad, from every payment made under this contract.
9. The final bill will be accepted ONLY after submission of the following supporting documents in original:
 - i) Completion Certificate issued by User.
 - ii) Proof of tax paid to RTO.

10. The Executive Engineer, PID, CWC, Faridabad, will **reimburse service Tax** on hiring charges on actual basis. The Successful tenderer will be required to provide proof of valid service Tax registration on or before the date of signing of the contract. In addition to the above, **parking charges** and **toll**, shall also be reimbursable over and above the quoted charges provided the successful tenderer attaches satisfactory proof of payment of such charges with the relevant monthly bill.
11. **Any unutilized Km run for the vehicle in the respective month will be carried forward to the succeeding two months only and will be set off against excess mileage of the succeeding months. The bills will be prepared accordingly by the successful tenderer.**
12. It would be responsibility of contractor/firm/agency to ensure the availability of vehicle at all times as desired by Engineer-in-charge irrespective of deployed vehicle being under maintenance/breakdown or any other contingencies. In the event of failure to do so, a **penalty of Rs. 1000/-** per day may be levied upon the successful contractor/firm/agency, if it fails to do so. Such penalty will be deducted from the bill of the relevant month.
13. The successful tenderer will ensure that the drivers will have a **mobile phone** in working condition, for which, no separate payment will be made by the Executive Engineer, PID, CWC, Faridabad. The successful tenderer should furnish adequate number of land line/mobile phone numbers for establishing contact round the clock.
14. The driver should be **courteous**, neatly dressed in proper uniform with name badge and adequately educated so as to maintain the log book and understand basic instructions in English and Hindi. Proper Identity Cards should be issued by the successful tenderer to the drivers after verifying their antecedents.
15. Save in exceptional circumstance or unless specifically requested by the Superintending Engineer, PC, CWC, Faridabad, once the hiring of vehicle commences, the successful tenderer shall not change the dedicated vehicle or the driver.
16. The driver shall be duty bound to follow the instructions of the Superintending Engineer, PC, CWC, Faridabad, or officers to whom the vehicle is assigned by the Executive Engineer, PID, CWC, Faridabad.
17. Any **change in the ownership of the vehicle** or change in the constitution of the concern shall be notified in writing to the Superintending Engineer, PC, CWC, Faridabad, immediately. It will be open for the Executive Engineer, PID, CWC, Faridabad, to continue / renegotiate the contract with new owners or cancel the contract. In the event of cancellation of the contract, the Performance Guarantee shall be forfeited.
18. **TERMINATION OF CONTRACT: As per GCC**
19. **ARBITRATION (CLAUSE 59 OF G.C.C.)**
Except where otherwise provided for in the contract, all questions and disputes relating to the meaning of the specifications, scope of work and instructions herein contained in this contract is at the sole arbitration of the person nominated and appointed by the **Chief Engineer, YBO, CWC, NEW DELHI** in respect of the contract entered for and on behalf of the **president of India**.

Special instructions to Bidders by TCIL for e-Tendering

The Special Instructions (for e-Tendering) supplement 'Instruction to Bidders', as given in these Tender Documents. Submission of Online Bids is mandatory for this Tender.

E-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-tendering mandatory. Suppliers/ Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, **Central Water Commission** has decided to use the portal <https://www.tcil-india-electronictender.com> through TCIL, a Government of India Undertaking. This portal is based on the world's most 'secure' and 'user friendly' software from Electronic Tender®. A portal built using Electronic Tender's Software is also referred to as Electronic Tender System® (ETS).

Benefits to tenderers are outlined on the Home-page of the portal.

Participate in e-Reverse Auction on ETS

For participating in this tender online, the following instructions are to be read carefully.

These instructions are supplemented with more detailed guidelines on the relevant screens of the ETS.

Digital Certificates

For integrity of data and authenticity/non-repudiation of electronic records, and to be compliant with IT Act 2000, it is necessary for each user to have a Digital Certificate (DC). Also referred to as Digital

Signature Certificate (DSC), of Class 2 or above, issued by a Certifying Authority (CA) licensed by Controller of Certifying Authorities (CCA) [refer <http://www.cca.gov.in>].

Registration

To use the Electronic Tender® portal <https://www.tcil-india-electronictender.com>, vendors need to register on the portal. Registration of each organization is to be done by one of its senior persons who will be the main person coordinating for the e-tendering activities. In ETS terminology, this person will be referred to as the Super User (SU) of that organization. For further details, please visit the website/portal, and click on the 'Supplier Organization' link under 'Registration' (on the Home Page), and follow further instructions as given on the site. Pay Annual Registration Fee as applicable.

After successful submission of Registration details and Annual Registration Fee, please contact TCIL/ETS Helpdesk (as given below), to get your registration accepted/activated.

Important Note: To minimize teething problems during the use of ETS (including the Registration process), it is recommended that the user should peruse the instructions given under 'ETS User-Guidance Center' located on ETS Home Page, including instructions for timely registration on ETS. The instructions relating to 'Essential Computer Security Settings for Use of ETS' and 'Important Functionality Checks' should be especially taken into cognizance.

Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.

Some Bidding related Information for this Tender (Sealed Bid)

The entire bid-submission would be online on ETS (unless specified for Offline Submissions). Broad outline of submissions are as follows:

Submission of Bid-Parts/ Envelopes

Single-Part

Submission of information pertaining Bid Security/ Earnest Money Deposit (EMD)

Submission of digitally signed copy of Tender Documents/ Addendum

Submission of General Terms and Conditions (with/ without deviations)

Submission of Special Terms and Conditions (with/ without deviations)

Special Note on Security and Transparency of Bids

Security related functionality has been rigorously implemented in ETS in a multidimensional manner. Starting with 'Acceptance of Registration by the Service Provider', provision for security has been made

at various stages in Electronic Tender's software. Specifically, for Bid Submission, some security related aspects are outlined below:

As part of the Electronic Encrypter™ functionality, the contents of both the 'Electronic Forms' and the 'Main-Bid' are securely encrypted using a Pass-Phrase created by the Bidder himself. Unlike a 'password', a Pass-Phrase can be a multi-word sentence with spaces between words (e.g. I love this World). A Pass-Phrase is easier to remember, and more difficult to break. It is recommended that a separate Pass-Phrase be created for each Bid-Part. This method of bid-encryption does not have the security and data-integrity related vulnerabilities which are inherent in e-tendering systems which use Public-Key of the specified officer of a Buyer organization for bid-encryption. Bid-encryption in ETS is such that the Bids cannot be decrypted before the Public Online Tender Opening Event (TOE), even if there is connivance between the concerned tender-opening officers of the Buyer organization and the personnel of e-tendering service provider

CAUTION: All bidders must fill Electronic Forms™ for each bid-part sincerely and carefully and avoid any discrepancy between information given in the Electronic Forms™ and the corresponding Main-Bid. For transparency, the information submitted by a bidder in the Electronic Forms™ is made available to other bidders during the Online Public TOE. If it is found during the Online Public TOE that a bidder has not filled in the complete information in the Electronic Forms™, the TOE officer may make available for downloading the corresponding Main-Bid of that bidder at the risk of the bidder. If variation is noted between the information contained in the Electronic Forms™ and the 'Main-Bid', the contents of the Electronic Forms™ shall prevail. Alternatively, the Buyer organization reserves the right to consider the higher of the two pieces of information (e.g. the higher price) for the purpose of short-listing, and the lower of the two pieces of information (e.g. the lower price) for the purpose of payment in case that bidder is an awardee in that tender

Typically, 'Pass-Phrase' of the Bid-Part to be opened during a particular Public Online Tender Opening Event (TOE) is furnished online by each bidder during the TOE itself, when demanded by the concerned Tender Opening Officer.

(Optional Text in EBI, depending upon the decision of the Buyer organization):

Additionally, the bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted to Buyer Organization Name in a sealed envelope before the start date and time of the Tender Opening Event (TOE).

Additionally, the bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted into the 'Time Locked Electronic Key Box (EKB)' after the corresponding deadline of Bid Submission, and before the commencement of the Online TOE. The process of submission of this Pass-Phrase in the 'Time Locked Electronic Key Box' is done in a secure manner by first encrypting this Pass-Phrase with the designated keys provided by the Buyer organization.

There is an additional protection with SSL Encryption during transit from the client-end computer of a Supplier organization to the e-tendering server/ portal.

Public Online Tender Opening Event (TOE)

ETS offers a unique facility for 'Public Online Tender Opening Event (TOE)'. Tender Opening Officers, as well as, authorized representatives of bidders can simultaneously attend the Public Online Tender Opening Event (TOE) from the comfort of their offices. Alternatively, one/ two duly authorized representative(s) of bidders (i.e. Supplier organization) are requested to carry a Laptop with Wireless Internet Connectivity, if they wish to come to Buyer Organization Name office for the Public Online TOE

Every legal requirement for a transparent and secure 'Public Online Tender Opening Event (TOE)', including digital counter-signing of each opened bid by the authorized TOE Event

(TOE)', including digital counter-signing of each opened bid by the authorized TOE officer(s) in the simultaneous online presence of the participating bidders' representatives, has been implemented on ETS

As soon as a Bid is decrypted with the corresponding 'Pass-Phrase' as submitted online by the bidder himself (during the TOE itself), salient points of the Bids (as identified by the Buyer organization) are simultaneously made available for downloading by all participating bidders. The tedium of taking notes during a manual 'Tender Opening Event' is therefore replaced with this superior and convenient form of 'Public Online Tender Opening Event (TOE)'.

ETS has a unique facility of 'Online Comparison Chart' which is dynamically updated as each online bid is opened. The format of the chart is based on inputs provided by the Buyer for each Bid-Part of a tender. The information in the Comparison Chart is based on the data submitted by the Bidders. A detailed Technical and/ or Financial Comparison Chart enhances Transparency. Detailed instructions are given on relevant screens.

ETS has a unique facility of a detailed report titled 'Minutes of Online Tender Opening Event (TOE)' covering all important activities of 'Online Tender Opening Event (TOE)'. This is available to all participating bidders for 'Viewing/ Downloading'.

There are many more facilities and features on ETS. For a particular tender, the screens viewed by a Supplier will depend upon the options selected by the concerned Buyer.

Other Instructions

For further instructions, the vendor should visit the home-page of the portal <https://www.tcilindia-electronictender.com>, and go to the User-Guidance Center

The help information provided through 'ETS User-Guidance Center' is available in three categories – Users intending to Register / First-Time Users, Logged-in users of Buyer organizations, and Logged-in users of Supplier organizations. Various links (including links for User Manuals) are provided under each of the three categories.

Important Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly peruse the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

SIX CRITICAL DO's AND DON'Ts FOR BIDDERS

Specifically, for Supplier organizations, the following 'SIX KEY INSTRUCTIONS for BIDDERS' must be assiduously adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) well in advance of your first tender submission deadline on ETS
2. Register your organization on ETS well in advance of the important deadlines for your first tender on ETS viz 'Date and Time of Closure of Procurement of Tender Documents' and 'Last Date and Time of Receipt of Bids'. Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.
3. Get your organization's concerned executives trained on ETS well in advance of your first tender submission deadline on ETS
4. Submit your bids well in advance of tender submission deadline on ETS (There could be last minute problems due to internet timeout, breakdown, et al)
5. It is the responsibility of each bidder to remember and securely store the Pass Phrase for each Bid-Part submitted by that bidder. In the event of a bidder forgetting the Pass Phrase before the expiry of deadline for Bid-Submission, facility is provided to the bidder to 'Annul Previous Submission' from the Bid-Submission Overview page and start afresh with new Pass-Phrase(s)
6. ETS will make your bid available for opening during the Online Public Tender Opening Event (TOE) 'ONLY IF' your 'Status pertaining Overall Bid-Submission' is 'Complete'. For your record, you can generate and save a copy of 'Final Submission Receipt'. This receipt can be generated from 'Bid-Submission Overview Page' only if the 'Status pertaining overall Bid-Submission' is 'Complete'.

NOTE :

While the first three instructions mentioned above are especially relevant to first-time users of ETS, the fourth, fifth and sixth instructions are relevant at all times.
