Annexure - II

S.N	Reference	Query	Clarification
1.	Chapter 1: Instruction to bidders Sub cl:ix of cl:3	Please confirm if local labour contractors, holding labour licenses, can be used for supply of labour.	No. Sub- contracting is not allowed. The relevant clause stands deleted.
2.	Chapter 1,cl.3	The agency doesn't have Aadhar number.	It is mandatory to provide copy of Aadhar card of proprietor(s).
3.	Chapter 1 : 3.Qualification / Eligibility criteria	Average annual turnover	Average annual turnover stands modified to Rs. 44,00,000/-
4.	Chapter 1 : cl.6 Workmen safety and insurance	Criteria to be followed in providing life insurance to their personnel	Responsibility of contractor to provide insurance cover as per the labour law
5.	Chapter 1, cl.8	Return of EMD for unsuccessful bidders	As per relevant tender clause
6.	Chapter 1: Clause 11. Bid data Sheet point F, Variation in quantity of sites	We understand that the percentage of quantity of sites may increase or decrease by 10% and therefore we assume that the payment shall be made on pro-rata basis accordingly. Kindly confirm if our assumption is right.	The support service at the respective site has to be started as and when the site is made available by the Engineer-in-charge. The availability of the sites may be in phases and the firm may be asked to start support services accordingly. The payment would be made on pro-rata basis on the services utilized by the department. However, the total no. of sites as specified in the tender may increase or decrease by 10%
7.	Chapter-2, cl.14	The time mentioned in the tender under the above head, it is not feasible as time mentioned is starting from 8 AM till 6 PM. The total time is more than 8 hrs per day which is against the labour law/ norms. Please clarify.	It is clarified that three times reading in non- monsoon has to be taken at 8:00 hrs, 13:00 hrs and 18:00 hrs, which are intermittent during the day. The deployment of labours in Annexure-I in this regard is for indicative purpose only
8.	Chapter 3. Conditions of contract, clause 31. Terms of payment	Please note the payments to the labours are to be made on weekly basis. Please confirm weekly payment will be released to meet this requirement.	As per tender document clause 31(a)
9.	Chapter 3,cl. 25.10	Damage of equipment's if there any	It is as per tender document – chapter 3,clause 25.10
10.	Chapter 3 : Conditions of Contract	Agency requested the cost of the equipment's per site for estimating Liquidated damages.	Cost of all equipments, tools, accessories, furniture's for a GD site works out to be Rs. 2,00,000/-

11.	Chapter 3 : Conditions of Contract	Terms of Payment	Billing should be made site wise with GST shown separately. GST will be paid on production of proof of payment receipt towards the same.
12.	Chapter 4. Schedule of requirements	It is mentioned in details of work that Gauge is to be done daily 3 times in non-monsoon but it is only mentioned that it is to be done hourly in monsoon. Kindly let us know how many times per day the same is required to be done in monsoon.	The gauge reading in non monsoon would be three times at 8:00 hrs, 13:00 hrs and 18:00 hrs, while during monsoon it would be 24 times a day and 7 days in a week i.e. on hourly basis.
13.	General	Estimated cost in tenders	Estimated cost indicated stands deleted.
14.	General	EMD and Performance Guarantee to be considered for estimated cost and tendered value respectively of one year.	EMD modified to Rs. 292359/- instead of Rs. 584718/- Performance Guarantee may be taken @ 2.5% of tendered value instead of 5%
15.	General	Exemption of EMD and Tender fee on the basis of NSIC-MSME certificate	Would be considered as per extant Government orders in force.
16.	General	Support service staff belongs to which category	It is clarified that the basic wages to be considered for unskilled workers capable of reading measurements and making entry in forms.
17.	General	Cost for transportation of water sample to Lab.	Does not applicable to this office
18.	General	Details of location of sites.	Latitude and Longitude of all sites attached
19.	General	Kindly provide route maps or the start point and end point of all the rivers wherein the hydrological observations is to be done.	Location and Address details attached
20.	Annexure-I	The Man power deployment chart shown in the tender is not feasible as it is more over a work contract rather than a manpower contract. The proposal is for the work contract and the manpower can vary as per the requirement for the particular sites. The annexure should be only for reference purpose but should not mandatory in our contract/ tender.	The Annexure-I in tender document is for indicative purpose only as this being a service tender. The Annexure – I thus stands deleted. The indicative deployment for the sites is attached as Annexure – II A

21.	Financial bid	The financial bid should be in two parts. One for the seasonal/ monsoon (extended) and another for rest of the year. The respective bills can be submitted accordingly.	The modified financial bid format is attached as Annexure-II B.
