Sub: Awareness about Airport Express Line.

Dear Sir,

Greetings for the New Year !

We are pleased to inform you that high speed Airport Express Line is operational between heart of the city (New Delhi Railway Station/Shivaji Stadium) and Indra Gandhi International Airport. DMRC has taken over the Operation and Maintenance w.e.f 1st July 2013 which runs between New Delhi Railway Station and Dwarka sector-21 passing through Shivaji Stadium, Dhaula Kuan, Aerocity ( Mahipalpur & Terminal -1 ) and Terminal - 3 at IGI Airport The popularity of the Airport Express Line has been following an increasing trend owing to reliable, fastest and cost effective services. One may reach IGI Airport from New Delhi Metro Station in around 20 mins.

The Airport Express Line offers following benefits to the Airport passengers:

### Passenger check-in

The early check-in facility at New Delhi shall allow passengers to check-in their baggage and get the boarding pass in much advance of the flight departure. This brings him the luxury of spending an extended time in the city, home or his office. While at the airport a checked-in passenger is not allowed to exit the airport terminal.

### Baggage Check-in

Passengers may check-in their baggage at the New Delhi station itself rather than carrying it along to the airport.

### Fastest mode of travel

Fastest mode of travel:  
The Express Line will enable commuters to reach the Airport in less than 20 minutes.

### Reliable Services

The Express Line will not only reduce the travel time by up to an hour, the high reliability of the system ensures that so much time is saved every time a customer travels with us. This obviates the additional margin of 30-40 minutes which a passenger needs to keep owing to the uncertain congestion levels at the road.

Significant cost savings through trip cards.

AEL offers the cheapest yet fastest, most comfortable and reliable mode of travel to the Terminal 3 of IGI Airport. The 30/45/60 trip monthly passes offers discount upto 73% which provides economical mode of transportation.

For Instance the approximate fare for different fare products from Dwarka Sector 21 to Shivaji Stadium Metro Station are as hereunder:

Fare product	Per Trip Fare	Journey Time
60 Trip pass	Rs 40/-	20 minutes
45 Trip Pass	Rs 44/-	
30 Trip pass	Rs 53/-	

From our internal surveys and feedback from commuters, it is evident that many people in your ministry are not aware of this public facility available in their neighborhood and therefore request you to increase awareness among your employees to make use of 30/45/60 trip monthly passes to save time and money.

Information brochure for Airport Line is attached for further details. We request you to give wide publicity of availability of Airport Express Line to all employees working in your ministry to increase its awareness and they may contact Mr. Sankalp, Dy. General Manager/Operations at 9810500531 for any further details/clarifications

*With regards,*

Yours Sincerely  
*Vikas Kumar*  
 (Vikas Kumar)  
 General Manager/Operations
