TRAINING CIRCULAR

Subject: Knowledge Co-Creation Program on "Flood Disaster Risk Reduction" to be held in Japan from 30.09.2018 to 13.09.2019 under Technical Cooperation Program of the Government of Japan (Submission Deadline - 26.03.2018).

The undersigned is directed to state that the Japan International Cooperation Agency (JICA) has invited applications for Knowledge Co-Creation Program on "Flood Disaster Risk Reduction" to be held in Japan from 30.09.2018 to 13.09.2019 under Technical Cooperation Program of the Government of Japan.

The training program aims to develop the participant's capacity to practically manage and mitigate damages of flood disasters and to contribute for socio-economic and environmental improvements at regional and national level in developing countries which suffer from them consistently.

3. The applying organizations are expected to nominate technical officials, engineers or researchers who have three (3) or more years of experience in the field of river management or flood disasters in governmental organizations. The officer should be a university graduate or equivalent, preferably in civil engineering, water resource management, or disaster mitigation, or related department; be proficient in basic computer skills; have competent command over spoken and written English; must be in good health (both physically and mentally); be between twenty-five (25) and forty (40) years of age as of October 1, 2018. More information may be seen in the general information brochure.

4. In addition, the following information in respect of the nominated officers may please be mentioned while furnishing the nomination:-

- Whether attended any foreign training program in the past? If so, the duration/details thereof;
- Whether cleared from vigilance angle;
- Age;
- Whether working in North East State/J&K;
- A brief in 50-100 words justifying the nomination.
