Sh. Rajendra Kumar Jain
Chairman, CWC & ICID

Dear Sir,

Greetings from ICID Central Office!

This has reference to your discussion with Secretary General Ashwin B. Pandya regarding participation of CWC professionals in the ICID organized Webinar on Role of Safety Standards and Land Subsidence in Sustainable Development and Management of Flood Prone Areas, on 19 May 2020 at 02:30 PM Indian Standard Time.

The Speaker, Prof. em. Bart Schultz, President Hon. ICID; Prof. Em. Land and Water Development IHE-Delft, and Former Top Advisor Rijkswaterstaat, The Netherlands has more than 40 years of experience in research, advising and project implementation in the field of land and water development, drainage, irrigation, flood management and environmental engineering. He has also been the recipient of many international awards including the World Irrigation and Drainage Prize, 2016 for his sustained, long standing and highly committed work to irrigation and drainage sector worldwide through education.

In this webinar, Prof. Schultz will present an inventory of the relevant values, processes and approaches. Attention will be given to how they may impact the conditions in these areas and what measures can be considered to take them into account in sustainable development and management.

Webinar Details are:

Topic: Role of Safety Standards and Land Subsidence in Sustainable Development and Management of Flood Prone Areas

Speaker: Prof. em. Bart Schultz, President Hon. ICID; Prof. Em. Land and Water Development IHE-Delft, and Former Top Advisor Rijkswaterstaat, The Netherlands

Date & Time: 19 May 2020, 02:30 PM (Indian Standard Time)

Registration: <https://attendee.gotowebinar.com/register/1697910241716202253>

For more details, please visit https://www.icid.org/icid_webinar.html

You are requested to encourage CWC professionals to actively join in this webinar and get a chance to interact with an international expert.

With best regards,

Yours sincerely,

Madhu Mohanan
Communication Officer
