Sub: Draft Guidelines on 'Integrated Water Resources Development and Management'-Reg.

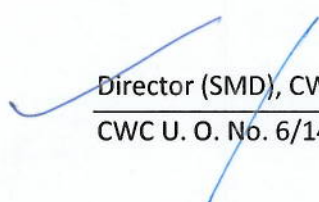

The Draft guidelines on 'Integrated Water Resources Development and Mangement were prepared and submitted to MoWR vide letter dated 31.03.2010 for concurrence, under **Strategy V.4 a) of National Water Mission.**

MoWR vide their letter dated 05.01.2012 advised for circulation of the draft Guidelines to all States/UTs/related Ministries for comments. Thereafter a workshop is to be arranged for incorporating the views and finalization of the guidelines.

In this regard, it is requested that the above mentioned draft Guidelines (the soft copy is being separately sent to smdte@nic.in) may be uploaded on the website of CWC and provide the link-address to this office so that various States/UTs/related Ministries may be requested to download the same and send their observations/views.

This issues with the approval of CE (BPMO), CWC.
