Subject: Invitation to participate and nominate people for Geospatial World Forum 2012
- 23-27 April 2011, Amsterdam, The Netherland.

Dear Sir,

Please accept our greetings from **Geospatial World Forum**, which is being organized by **Geospatial Media & Communications Pvt Ltd** (formerly known as GIS Development Pvt Ltd) and **Co-organized by Kadaster, The Netherlands**. Geospatial World Forum, scheduled for **23-27 April 2011 at Amsterdam**, is the most premium global geospatial industry event being organized in partnership with over 20 different international geospatial agencies and associations working towards achieving common objectives. The conference is likely to be attended by over 2000 delegates from over 55 countries worldwide. Tentative Speakers 250+, Partners 50+, Countries 55+ (30 European Countries), Geospatial Technology User Organisations 70+, Geospatial Technology Organisations 50+ and many more...

The Theme of Geospatial World Forum 2012 is 'Geospatial Industry & World Economy' which will touch upon dimensions and directions of geospatial industry and attempt to bring forward and project its utility, contribution and relevance to several important industries of the world economy including energy, mining, infrastructure and utilities, water, agriculture and so on. Under this theme, a range of Plenaries, Symposiums, Panels and Workshops will be organised so as to appropriately focus and steer discussions and deliberations to achieve the over arching theme of the conference.

Understanding your active role, contribution and interest in geospatial sciences, we would like to invite you to participate and to nominate officers from Central Water Commission at appropriate level to attend Geospatial World Forum.

For detailed information on the conference, you can visit website www.geospatialworldforum.org

We look forward to your kind participation and support to make Geospatial World Forum a grand success.

With best regards,
