विषय: Technical Audit of Sites under UGBO.

महोदय,

It is proposed to review the hydrometeorological data observation at all the sites of the UGBO, with a view to frame action plan for modernizing the system and upgrading the infrastructure to improve the quality and reliability of the data collected. As the CWC is the primary source of data for planning and design of water resources projects in the country and also for any other issues concerning water such as adjudication of Inter State disputes, international disputes, water allocation etc, it is necessary that utmost due diligence is exercised at all levels in data collection & its validation. In this regard this office letter no. UGBO/Luck/G-1/2017-18/3688-3711 dated: 25.09.2017 may please be referred.

The review shall be carried out division wise as per tentative schedule given below:-

Sl.No.	Division	Tentative Schedule	Venue
1	MGD-I, CWC, Lucknow	20.02.2018	UGBO, CWC, Lucknow
2	MGD-II, CWC, Lucknow	21.02.2018	UGBO, CWC, Lucknow
3	MGD-III, CWC, Varanasi	27.02.2018	H.O.Circle, CWC, Varanasi
4	HGD, CWC, Dehradun	15.03.2018	H.O.Circle, CWC, Dehradun

It is desired that the site wise details covering the following details may be presented during the review:-

1. Salient Features of the Site
2. Purpose of site at the time of opening
3. Present Utility
4. Photographs of the sites, Gauges, Site office etc.
5. Brief History of Observation along with Methodology
6. Present Mode of Observation
7. Shortcomings in present practice, if any.
8. Suggested Measures for improving observation viz Automation
9. Availability of T&P, Infrastructures with details
10. Manpower at sites along with their Utilization
11. Is there any site of State/ any other agency nearby
12. Site wise SOP for Observation
13. Road Map for modernizing/upgrading the site.

The above issues with the approval of Chief Engineer, UGBO, CWC, Lucknow.

भवदीय

(शिव प्रकाश)

अधीक्षण अभियन्ता (समन्वय)
