Dt. 14.02.2011

**OFFICE ORDER**

It has been reported by NWA, Pune that sometimes CWC officers nominated for participation in various training programmes at NWA, Pune do not report to NWA for training. This hampers the smooth conduct of the training programme besides defeating, to an extent, the very purpose of holding the programme.

In view of the above, the following has been decided by the Chairman, CWC.

1. Once an officer is nominated by the competent authority for participating in a training programme being organized by NWA, Pune, he/she has to participate in it.
2. The controlling officer concerned shall ensure that the nominated officer is relieved to report for training to NWA, Pune.
3. Request for cancellation of nomination, if any, on valid and justifiable grounds has to be made to the competent authority with the recommendation of the controlling officer, well in advance. The nominated officer is allowed to miss the programme only if the request has been acceded to.
