Subject:- Appeal under RTI Application Under RTI Act-2005 of Shri Ashok Sitaram Goel, C-6,
Pocket-6. Kendriya Vihar-2, Sector-82, Noida Pin-201304.

Sir,

Please refer to your appeal dated 30-04-2019, for RTI Application dated 09.11.2018 received in this section on 13.11.2018 as per provision of RTI Act 2005. The reply to the appeal to RTI pertaining to this section is submitted as under:-

S.No.	Ground for appeal	Reply
1	<p>Provided Incomplete, Misleading or False Information.</p> <p>In response to the above referred RTI, the CPIO had submitted vide reply dated 7th December 2018 that payment made to Shri Navin Kumar, CE cannot be made a precedent and under review by the competent authority. A copy of the reply is attached for ready reference. Had the Competent Authority reviewed the correctness of payments made to Shri Navin Kumar, CE, then if it had found his payments correct then similar payments should have been allowed to me, else the recovery should have happened from Shri Navin Kumar. Since neither has happened, it is obvious that the reply referred above is not correct and misleading.</p>	<p>The information provided to the applicant was factual.</p> <p>The file regarding payment for bills of officers who travelled for deputation to Netherlands/ Spain/ Switzerland for attending training on "Dam Safety and Reservoir Management" held during 14th -25th May 2018 at Delft, the Netherlands (excluding travel time) vide MoWR, RD & GR Order No.S-21/2/2018-EA& IC dated 08-05-2018 was reviewed in this office.</p> <p>The matter has been referred for clarification as to whether the amount incurred by the officers for travel during inward journey from Lausanne hotel to Milano/Paris Airport is admissible or not.</p> <p>After receipt of reply, further necessary action in the matter will be taken.</p>

Yours faithfully
