CIRCULAR

A proposal for creating a dedicated organisation namely “**Smart Water Resources Modelling Organisation**” (SWRMO) in CWC by re-organization of various posts, has been approved. This Organisation shall function as Centre of Excellence (CoE) for modelling activities related to Smart Water Resource Management and shall provide guidance to all the organisations of CWC involved in modelling activities.

SWRMO will be headed by a Chief Engineer comprising three Directorates, each with one Director, one Deputy Director and one Assistant Director/ Assistant Director-II.

The officers posted under SWRMO are expected to work there for at least three years. The officers at the level of Director/ DD/AD/AD-II having inclination/ background for the above work may submit their willingness for posting under SWRMO, alongwith brief experience in this regard, if any, to this office (wpcl@nic.in) on or before 27.08.2024.

However, it may be noted that any of the officer(s) in CWC/ NWA, Pune can be posted in the above Organisation (willing or otherwise) based upon suitability / administrative requirements.
