D.O. No.8-5/2019-TEL

Dated: 9th July, 2019

Subject: National Digital Library of India (NDL India) project of MHRD- Dissemination of information- reg.

Dear Sir,

The Ministry of Human Resource Development under its National Mission on Education through Information and Communication Technology (NMEICT), has launched the National Digital Library of India (NDL India) project to develop a framework of virtual repository of learning resources with a single-window search facility. NDL has been integrated with UMANG app and the user can register through <https://ndl.gov.in> or through mobile app that is available at play store. As of now, there are more than 3 crore digital resources available through the NDL. The contents cover almost all major domains of education and all major levels of learners including life-long learners. More than 50 lakh students have registered themselves in the NDL, with about 20 lakhs active users.

2. Since the NDL is a national asset, it is expected that all Ministries and departments should be aware of this national facility and should use and contribute to NDL. Popularizing the NDL will enhance the utilization of e-resources by the users.

3. I, therefore, request you to disseminate the information on the facility of National Digital Library (NDL) to all concerned officers / organisations in your Ministry, requesting them to use and contribute to NDL.

Dr. N. Saravana Kumar

Yours Sincerely,

(Dr. N. Saravana Kumar)

To,

Sh. Nitishwar Kumar, Joint Secretary (Admin)
