Subject: Request for circulating a general circular in CWC (Hqrs) to submit all proposal of Cadre Clearance/VC to the DoWR giving at least 7 working days and deputation proposal at least 21 working days before the last date of submission of proposals.

Sir,

I am directed to refer to the subject matter and to say that there have been frequent incidents of referring cases of Deputation/Cadre Clearance/Vigilance Clearance etc in the last hour to this Department by CWC. Department has to face practical difficulties in processing such cases as only 1-2 days are left in starting of the tour/forwarding of applications.

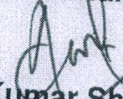

2. This has been causing problems time and again for finalizing such cases in time bound manner. CWC is therefore advised to issue general circular in CWC (Hqrs) to all concerned for submitting all proposal, relating to Cadre Clearance/VC/etc, to this Department giving at least 10 working days and in respect of deputation proposal at least 21 working days before the last date of submission of proposals.

3. All delayed proposals should be submitted with proper justification from Division head in the absence of which no action will be taken on the proposal and fresh clarification will be sought for taking further action.
