With reference to above NIT, No Bidder attended the Pre Bid Meeting organized on 22-02-2018 (11:00 hrs) in the office of Surintending Engineer (C) Narmada Basin Organisation, CWC, Bhopal. Hence it assumed that each and every condition of this NIT is well defined and acceptable to all the prospecting Bidders.

However on the basis of Pre-Bid meeting minutes circulated by various offices/organizations of CWC for similar tenders/scope of works for their jurisdictions, the following points in respect of this NIT needs to be clarify and the same must be considered to participate in this NIT.

1. The Scope of work in present tender is exclusively for providing support services for hydrological observations and not for outsourcing /hiring of manpower. In this regard, all the clauses in the tender document may be understood accordingly.
2. The Earnest Money Deposit (EMD) amounting to Rs 400000/- is on the basis of proportionate estimated cost for first Year e.i. 2018-19 (Monsoon -5 months and Non-Monsoon -07 months) for the work. Similarly the Performance Guarantee will also be year on year basis as already mentioned in NIT.
3. It is clarified also that the services are purely intermittent in nature during the day and hence the Annexure -I in this regard is for indicative purpose only.
4. The date of opening of Bid has been extended from 12-03-2018 to 20-03-2018 (15:00 p.m.) for submitting the Financial Bid on revised format attached herewith.
