Dated :03.01.2024

Dear Sir,

As you are aware, National Water Informatics Centre (NWIC) plans to assist States in the development of State Water Resource Information System (State-WRIS) as a State water data repository by providing them necessary technical guidance and IT infrastructure support. **File No A-33022/6/2022-TRNG DTE-Part(1)**

2. In this connection, a Workshop on State Water Informatics Centre (SWIC) is proposed to be held on 9th January, 2024 at 'The Imperial, Janpath, New Delhi'. The Workshop aims to facilitate collaboration, knowledge sharing and a deeper understanding of SWIC's pivotal role within the National Hydrology Project (NHP). The Workshop offers a platform for SWICs to showcase their achievements, best practices and discuss challenges encountered in developing State -Water Resources Information Systems (S-WRIS).

3. The Workshop agenda includes presentations by different States showcasing their portals developed under the State Water Resources Information Systems (State-WRIS). To ensure a comprehensive evaluation of the presentation made by SWICs, **it is proposed to constitute a committee of experts to assess the State portals and performance of SWICs.**

4. Accordingly, NWIC requests your esteemed Organization to kindly **nominate an officer, who will be a Member of the proposed Assessment Committee for evaluating the performance and achievement of SWICs in developing SWRIS.** The name, designation and contact information of the nominated member of your esteemed Organisation may kindly be communicated to NWIC by 5th January, 2024.

With best regards.

Yours sincerely

(Raj Kumar Mishra)
