Sub: Inter-Circle Transfers of Work-charged Employees of CWC-  
regarding.

Sir,

I am directed to say that as per the directions of the Department of Expenditure, Ministry of Finance, all vacant posts of W/c establishment under CWC have been abolished w.e.f 1.6.2022 by DoWR, RD & GR. In addition, any vacancy arising thereafter also stand abolished as per the same direction. This has resulted into a situation where no vacancy in W/c Establishment of CWC is available in any of its field offices so as to accommodate requests from W/c employees from one circle to another. Therefore, at present, it is not feasible to accommodate such transfer requests which are not on mutual basis.

2. As per transfer guidelines issued by the CWC on 20.5.2020 and 06.01.2021, a work-charged employee who has rendered at least 2 years of regular/continuous service in the present circle is eligible to apply for inter-circle transfer subject to recommendations of concerned Superintending Engineer where he is presently posted. The employee is also required to give an undertaking to forgo his past seniority. In addition, these inter-circle transfers are to be made at their own cost.

3. However, on considering the grievances of Work-charged staff for inter-circle transfer it has been decided to circulate the list of total transfer applications of W/c staff received in the E.XII Section (copy enclosed) for finding out a convenient probability of inter-circle transfers of Work-charged staff according to the transfer guidelines. Those interested may check the possibility of alternate mutual transfer based

on this list.

4. It is, therefore, requested that this list be circulated among SWAs and cases of mutual transfer, if any, may be forwarded to the CWC(HQ) through proper channel for submitting the same in the Placement Committee meeting.

**Encl as above**

भवदीय /Yours faithfully,

(अमित श्रीवास्तव/ Amit Srivastava)
