Circular

Central Water Commission has initiated implementation of eHRMS (DoPT version), for which the data of service books is being scanned and uploaded to eHRMS (DoPT Version) by Software Management Directorate. During the first phase of implementation, it is planned to implement the e-Leave module.

In this regard, JAG and above level officers pertaining to Establishment-I section are requested to kindly verify and authenticate their scanned service book and the entries made in the portal based on service book records. The concerned officer may do so by login into their account on e-HRMS portal (**ehrms.gov.in**) using NIC email and password. One staff from the agency hired for scanning work will assist the officer during verification process. If any discrepancy or deviation is observed by the officer in the data entered in the portal, the same may kindly be brought into the notice of the staff for rectification.

This issues with approval of Director, SMD

(Amitabh Tiwari)
Deputy Director

To,
All CWES Group-A Officers (JAG and above) through website.
