No.I-19011/12/2016-DME0

Dear Shri Sheshshar,

While discussing the proposal on November 10, 2016 for restructuring of SAMPADA, a scheme under the implementation of Ministry of Food Processing Industry, the Prime Minister's Office asked the NITI Aayog to take up a study on the employment opportunities created *verses* the employment opportunities proposed in the various schemes of the Ministries/Departments of the Government of India in the last one year i.e. 2015-16.

2. This study would mainly be based on the employment information which are to be maintained by the programme implementing Ministries/Departments. I am enclosing a Proforma for tabulating the relevant information. If there is any variation between the employment opportunities proposed and actually generated, the reasons for the variation may also be given. If there were reasons that adversely affected the programme performance but were beyond the control of the Ministries/Departments, the same may also be mentioned in the reply.

3. Since the Report has to be submitted within a period of 45 days to PMO, I would request you to personally ensure that the information is emailed to NITI Aayog on bodhca@cag.gov.in within a fortnight i.e. latest by January 13, 2017. If any clarification is needed in this context, you may ask your officer to contact Mr. CA Bedh, Joint Secy. (DME0) on 011-23096797.

With regards,

Yours Sincerely,

(Amitabh Kant)
