

No. 6/1/2017-Chn/CWC
Office of Chairman
Central Water Commission

...

Chairman has shown his displeasure on putting files with dirty file covers and torn out file boards. Sometimes it is also noticed that proper space is not left for signatures/remarks of the Chairman at the bottom of note-sheet or papers are not properly flagged. In this connection, it is requested to ensure that all care should be taken before submitting the files to Chairman otherwise the files will not be received in this office.
