Government of India
केन्द्रीय जल आयोग
Central Water Commission

Dear Sir,

As you are aware that Detailed project Report (DPR) of Barna Project (Major ERM), Madhya Pradesh is under techno-economic appraisal in Central Water Commission. Deficiencies in DPR on Irrigation Planning aspects were communicated vide this office letter of even No.811 dated 03.05.2017. Reminder was also issued vide letter of even No.1435 dated 08.09.2017.

Since 03.05.2017, more than 7 months have elapsed but the deficiencies still remain unattended to by the project authority. As per the revised "*Guidelines for Submission, Appraisal and Acceptance of Irrigation and Multipurpose Projects, 2017*", if the deficiencies communicated by CWC/other Central Agency are not attended to and the DPR is not upgraded by the Project Authority within **three (3) months** from the date of communication of deficiencies, the DPR/RCE shall be treated as sent back/returned to Project Authority and the project will be deleted from the list of projects under appraisal in CWC.

Keeping in view of the above, the said project is treated as sent back/returned and is hereby deleted from the list of projects under appraisal in CWC.

With regards,

Yours sincerely

(C.K.L.Das)

Shri Radheshyam Julania
Additional Chief Secretary
Water Resources Department
Government of Madhya Pradesh
Sachivalaya, Bhopal-462004
