File No. CWC/TC/G-12/2023/

Dated 09.06.2023

Office Order

Approval of Chairman, CWC is hereby accorded to renaming the Hydrology Dam Safety Review (DSR) Directorate as Hydrology (Urban) Directorate under Hydrological Studies Organization.

Hydrology (Urban) Directorate in addition to its existing functions is also mandated to undertake urban hydrology studies/consultancy assignments in the following manner:-

1. Undertake hydrological modeling for tackling issues related to high intensity rainfall, riverine flood, drainage and interrelated issues in urban areas.
2. To provide hydrology related inputs for mitigating current distress, planning of emergency measures and input for urban development planning related to urban hydrology.
3. Any other related issue

The workload of Hydrology (Urban) Directorate is expected to grow only gradually with the State Governments / Urban Local Bodies approaching CWC for the above mentioned studies / assignments. Accordingly, the Hydrology (Urban) Directorate will gradually pass on its ongoing works to other Hydrology Directorates as per the Direction of Chief Engineer (HSO).

(Bhupinder Singh)

Director, TC Dte.
