

# INCSW-CWC TRAINING NOTICE

## ICID- 8<sup>TH</sup> ASIAN REGIONAL CONFERENCE (ARC)

on "Irrigation in Support of an Evergreen Revolution", 2-4 May 2018

Kathmandu, Nepal

### Nomination for TWO Young Professionals for Training at ICID Conference at Kathmandu

- 1 **Background:** Majority of population in Asia still lives in rural areas. It is likely that rural transformation and development will be a powerful engine of sustainable development and improving the resilience of rural households to cope with emerging challenges. In this context, like in other regions (like Europe, Africa and Pan-America), International Commission on Irrigation and Drainage (ICID) is organizing Asian Regional Conference (ARC) since 2001. The 8TH ARC is scheduled to convene during 2-4 May 2018 in Kathmandu with the theme of "Irrigation in Support of an Evergreen Revolution". Nepal National Committee of ICID (NENCID) will be hosting the event in collaboration with Department of Irrigation (DoI), the Government of Nepal and other partners. During the three-day's Asian Regional conference, NENCID is also going to organize a training program for young professionals working in Irrigation sector.
  - 2 **Objective of the training :** The main objectives of the trainings are
    - To capacitate the young engineers in the area of irrigation and drainage sector and motivate them to work for the National development
    - To share idea from different part of the world (from resource person and among the participants.
    - To provide young engineers a opportunity to participate the remaining program of ARC
- During one-day training program, following key area shall be covered:
- Value Engineering
  - Institutions for Sustainable Irrigation System
  - On-Farm Water Management
  - Micro-Irrigation for improved land and water productivity
- 3 **Eligibility:** The young professionals shall be at least graduate in Engineering and four year's experience in Irrigation and Draining Sector. The age of the participants shall be below 40 years who are currently engaged in irrigation and drainage sector and who is willing to take active part in the 8th ARC besides attending the training.
  - 4 **The scholarship which is funded by NENCID will consist of:**
    - (i) To and fro air travel ticket by shortest route by economy class;
    - (ii) Full waiver of registration fee for the event;
    - (iii) Accommodation;
    - (iv) A lump sum out of pocket allowance.

**The last date for receiving the CE level approved nomination at INCSW Office or at [incsw-cwc@nic.in](mailto:incsw-cwc@nic.in) is 10 March 2018 for taking approval of Chairman, INCSW**
