**Office Memorandum**

**Subject:- Updation of data of cases indicating correct names of advocates/counsels presently conducting the litigation in the LIMBs Portal - reg.**

The undersigned is directed to refer to the DO letter of Departmental of Legal Affairs dated 12.10.2022 wherein it has been mentioned that a large number of cases of this Ministry/Department are not reflecting the latest details of advocates/counsels conducting the litigation. A number of cases are showing names of advocates/counsels who have retired or are no longer on the panel.

2. It is once again re-iterated that LIMBS Portal is user based and its authenticity depends on the correctness of data entered by the respective users. Therefore, it is requested to kindly go through the details entered in the Portal and update the data of cases indicating correct names of advocates/counsels presently conducting the litigation so that effective monitoring of court cases is further strengthened. A compliance report in this regard may be made available to this Division invariably.

Dear Nodal Officer,

As you are aware the Legal Information Management & Briefing System (LIMBS), a web-based application, has been developed by the Department of Legal Affairs in association with NIC to enhance effective monitoring of litigation involving the Union of India. The various Ministries/Departments of Government of India have been benefitted by this application. However, it is noticed that a large number of cases are not reflecting the latest details of advocates/counsels conducting the litigation of your Ministry/Department.

2. The Data/Information entered into LIMBS Portal is user based and its authenticity depends on the correctness of data entered by the administrative departments. The LIMBS data reveals that a number of cases of your Ministry/Department are showing names of advocates/counsels who have retired or are no longer on the panel.

3. I shall be grateful if you could personally look into the matter and direct the users of your Ministry/Department to update the data of cases indicating correct names of advocates/counsels presently conducting the litigation, so that effective monitoring of court cases is further strengthened.

4. For any query/clarifications in this regard the LIMBS team (email id: legis@nic.in), will be happy to respond.

With Regards,

Yours sincerely,

RMani
