MESSAGE

जल शक्ति मंत्री
भारत सरकार
Minister for Jal Shakti
Government of India

21 OCT 2020

I am very happy to learn that Central Vigilance Commission (CVC) is observing Vigilance Awareness Week – 2020 from '27th October to 02nd November, 2020' with a very relevant theme "Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India)". The continual effort of CVC in exhorting all the stakeholders specially the citizens of the country towards promotion of integrity in all aspects of life by making Vigilance Awareness Week a public campaign is highly laudable.

Honesty and integrity can be considered as two pillars for achieving success in life. We all know that the greatest advantage of speaking the truth is that we don't need to remember what we said. Also, honesty is telling the truth, whereas integrity is living the truth. All of us must remember that being vigilant and practicing honesty and integrity in all our everyday actions are the key to achieve prosperity and will certainly help India to become self-reliant. Let us rededicate our selves to this noble cause and take a pledge to be vigilant in all aspects of life for the progress of the country.

Finally, I extend my greetings to all concerned and wish a very successful Vigilance Awareness Week – 2020.
