TERMS AND CONDITIONS

1. The competent authority on behalf of the President of India does not bind himself to accept the lowest or any other tender, and reserves its right to reject any or all of the tenders received without assigning any reason thereof. The competent authority on behalf of President of India reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
2. This Notice Inviting Tender shall form a part of the contract document. The successful bidder, on acceptance of his tender by the Accepting Authority shall sign the following documents (i.e.)
 - The Notice Inviting Tender
 - Terms and conditions
 - Schedule of work
 - CPWD-9
 - Security Deposit
3. **Amendment of Bidding Document :**

At any time prior to the deadline for submission of bids, the competent authority may amend bidding documents by issuing addendum. Any addendum thus issued, shall be part of the bidding document and shall be communicated in writing to all bidders of the bidding document. To give perspective bidders, reasonable time to take an addendum into account in preparing their bids, the competent authority shall extend as necessary the deadline for submission of bids.
4. **Language of the Bid :**

All documents relating to the bid/tender shall be in English language. Submission of a tender means that the tenderer has gone through all the terms and conditions, scope of item, specifications and other factors governing the supply of equipments.
5. **EMD :**

The bidder shall furnish as part of its bid an EMD of **Rs. 6000/- (Rupees Six Thousand only)** in the form of DD from any scheduled bank. The EMD will be returned once supply order is awarded. The EMD may be forfeited in the following cases:

 - i) If a bidder withdraws his bid during the period of bid validity specified in the terms and conditions of the contract.
 - ii) If a bidder does not accept the correction of errors, (i.e If there is a discrepancy between unit cost and total cost, then unit cost will prevail. If there is a difference between words and figures, the amount in words will prevail).
 - iii) If a successful bidder fails to sign the contract or fails to deliver the items within the stipulated time given in the terms and conditions of the contract.

6. Security Deposit :

Security Deposit at 5% of the tendered amount will be deducted from the final bill. The amount shall be held by the department for a period of **twelve** months. After satisfactory performance of equipments during the period, the amount will be returned to the contractor. However, the period may extend beyond twelve months if the department wishes to do so.

7. Bid Prices:

- a) The bid shall be for the full quantity as described in the schedule of work, and corrections if any, shall be made by crossing out, initialling, dating and re writing.
- b) Rates quoted shall be inclusive of all charges like cost of materials, delivery, taxes and incidental expenses, if any payable.
- c) The rates quoted by the tenderers shall remain fixed till the supply of items and shall not be subject to adjustment on any account.
- d) No additional charges will be paid over and above the quoted rates of the Agency and the department shall also not pay any extra amount on any account.
- e) The rates shall be quoted in Indian Rupee only.
- f) When there is discrepancy between the rates in figures and words, the rate in words will prevail.
- g) When there is discrepancy between the unit rate and the total amount resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

8. Bid Validity:

Bid shall remain valid for the period of 30 days from the date of bid opening. In exceptional circumstances prior of the original bid validity period, the Executive Engineer may request the bidders to extend the period of validity in a specified additional period. The request and the responses thereto shall be made in writing.

9. Corrupt and fraudulent practices:

- (a) Defines for purpose of these provisions, the terms set forth below as follows:-
 - (i) 'Corrupt practice' means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the contract execution, and
 - (ii) 'Fraudulent practice' means a misrepresentation of facts in order to influence the execution of a contract to the detriment of the employer, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid process at artificial non-competition levels and to deprive the Executive Engineer of the benefits of free and open competition.
- (b) Will reject a proposal for award of work if he determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for contract in question.

10. Clarification of Bidding Documents:

To assist in the examination, evaluation and comparison of bids, the Executive Engineer may at its discretion, ask any bidder for clarification of its bid. The request for clarification and the response shall be in writing, but no change in the price or substance of the bid shall be sought or offered or permitted except as required to confirm the correction of arithmetic errors discovered by the Executive Engineer in the evaluation of the bids.

11. Examination of Bids and Determination of Responsiveness:

A substantially responsive bid is one that confirms to all the terms and conditions of the bidding document without material deviation or reservation. A material deviation or reservation is one which affects in any substantial way the scope, quality or performance of the equipment and which limits in any substantial way inconsistent with the bidding documents, the Executive Engineer's rights or the bidder's obligations under the contract, or whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids.

If a bid is not substantially responsive, it will be rejected by the Executive Engineer and may not subsequently be made responsive by correction or withdrawal and the non-confirming deviations or reservations.

Specifications of all equipments shall be adhered strictly. Necessary manuals shall be submitted along with the tender for technical evaluation of the tender. The firms that have satisfactorily submitted all eligibility documents, EMD, tender fee, specifications manual will be considered for financial evaluation.

12. Notification of Award :

The bidder whose bid has been accepted will be notified of the award of supply by the Executive Engineer prior to expiration of the Bid validity period. This letter of acceptance will state the sum that the Executive Engineer will pay the company in consideration of the equipments.

13. Payment Terms:

No intermediate payment shall be made for the supply. The payment will be made after supply of all items to the satisfaction of the Executive Engineer or his authorized representative.

14. Penalty Clause:

Upon receipt of notification of defect in the performance of equipment during the period of 12 months, if contractor fails to take immediate corrective measures to rectify the defect, a penalty as decided by SE(C&SRC), CWC, Bengaluru subject to a maximum of 5% of order value, shall be applied for unsatisfactory performance of equipments.

15. Delay in Supply of Equipments :

If the tenderer fails to supply the equipments within the period specified in the contract, the Executive Engineer shall, without prejudice to its other remedies under the contract, deduct from the bill, a sum equivalent to 5% of order value or security deposit. The authority to decide delay in supply will be the Executive Engineer.

16. Termination for default :

The Undersigned, without prejudice to any other remedy for breach of contract by, written notes of default sent to the tenderer, may terminate this contract in whole or in part if,

- a) The tenderer fails to supply the equipments within the period specified in the contract, or within any extension thereof granted by the department.
- b) The tenderer fails to perform any other obligation under the contract.
- c) The tenderer, in the judgement of the department has engaged in corrupt or fraudulent practice in competing for or in executing the contract.

17. Termination for insolvency :

The Undersigned may at any time terminate the contract by giving written notice to the tenderer if the latter becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the tenderer, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the undersigned.

18. Taxes and duties :

The tenderer shall be entirely responsible for all taxes, duties etc. incurred and no separate charges can be claimed by the tenderer.

19. Warranty Support :

The successful firm shall provide all necessary sales and support services upon request by the department during the warranty period of **1 year**. Any defect during the warranty period shall be attended by the firm free of cost.

20. Exemption:

Companies registered under NSIC with valid certificate will be exempted from paying EMD & Tender Fee.
