Ministry of Jal Shakti  
Department of Water Resources, RD & GR  
Shram Shakti Bhawan, Rafi Marg,  
New Delhi – 110 011

**Sub: Training Program of Non-Technical Officers of Ministry (Secretariat) on “Overview of Water Resources Sector” – Reg.**

As you are aware that the National Water Academy, Pune ( & a component of Regional Training Centre of WMO ) regularly conducts training program on “Overview of Water Resources Sector” for the Non-Technical Officers of Ministry of Jal Shakti. Like previous years, it is envisaged to conduct this training program twice for the current year also i.e. 2020-21. Due to situation arising out of COVID 19 , it is not possible to conduct a residential program at National Water Academy, Pune. However, it is proposed to conduct the first of the two trainings planned this year online, if agreed to. Normally, the duration of the program is of one week. However, as this is being conducted in an online mode, it is planned to conduct it from 15th June 2020 to 2nd July 2020. Though all efforts will be made to help the trainee officers, yet the training requires that the trainees be conversant with very simple online tool e.g. Google Classroom etc.

The content broadly covers Overview of water resources of India; Hydrological Observation & its significance, and coastal erosion; Flood Management in India; WR Project Preparation & Appraisal; River Basin Planning & Management; Ground Water Management; Water Quality and its Management; Ministry of Jal Shakti Policy/ Schemes; Hydropower Development; Cooperation with Neighbouring Countries in WR; Irrigation Water Management & Participatory Irrigation Management; Environment, Social and Economic Aspects of WR Projects etc. Day wise detailed training plan is enclosed as **Annexure**. Though timings have been mentioned in the programme, however, it is a flexitime programme and Officers can access the training modules as per their suitability. It is proposed to keep the batch size as 40 maximum preferably.

In view of above, it is requested that nominations of suitable officers for the above program may kindly be conveyed. The list of participating officers may please be sent to NWA (including their Mobile number & email id). The Mobile number and email ID of nominated officers will facilitate the preparation and smooth conduct of the programme.
