Dated the 20th December, 2017.

Office Memorandum

It is brought to the notice of all CWES 'Group 'A' officers that from the APAR year 2016-2017, the system of online filing of APARs of Central Water Engineering (Gr.'A') officers in eHRMS has been started. Since, this is a new process, there are certain technical issues, which are being sorted out before disclosure. Therefore, no APAR has been disclosed in this system till now.

However, it has been decided that as per the practice prevalent in CWC, the APARs for the year 2016-17 shall be uploaded in APAR Management System of CWC and a disclosure letter be issued/made available on the CWC website. The work related to uploading of APARs has started. **Separate lists containing the names of Chief Engineers/Directors/Deputy Directors/Assistant Directors, whose APARs have been uploaded in the system will appear on 22.12.2017. Other similar lists will show up as and when the APARs are uploaded in the APAR Management System of CWC.**

It may be noted that no separate communication in hard copy regarding the disclosure of these APARs shall be issued.
