In this regard, the reply from this organisation is as under:

क्रम संख्या	प्रश्न	उत्तर
1	Please let me know how can i get protection wall in bank of river from government to stop soil erosion.	As per constitutional provisions, the subject of Flood Management falls within the purview of the States. <i>The flood management schemes are planned, investigated and implemented by the State Governments with own resources as per priority within the State.</i> The Union Government only renders assistance to States which is technical, advisory, catalytic and promotional in nature. Further, formulation of project report for taking up flood & erosion management measures comes under the purview of State Government. Therefore, you are requested to approach concerned State Governments, so that your concern/views on taking up protection wall in bank of river are incorporated in flood management Scheme.
2	What is procedure	
3	Provide all details to get protection wall from goverment.
