कार्यालय आदेश

विषय : Distribution of works related to schemes of RM wing - reg.

In continuation of Order of even number dated 18.11.2021, following clarifications are issued:

Only the cases which requires approval at the level of CWC-HQ/ DoWR, RD&GR need to be sent to Nodal Directorates of RM wing HQ for processing of such cases for approval of competent authority. This system has been devised just to streamline and ensure uniformity in submission of similar natures of cases requiring approval at CWC HQ/ DoWR, RD & GR level. It should not be construed that activities/ procurement will be taken up by Nodal directorate itself. Rather it is meant that cases need to be initiated by concerned field offices and all the activities/ procurement have to be done by respective offices only, the nodal directorate shall just provide the support in processing the case at CWC HQ level. Cases which are within the power of field officials need not be sent to Nodal Directorates.

Nodal offices for processing of cases (Slightly modified from order dated 18.11.2021 for Procurement related to Water Quality Lab & other related activities) are given below:

Name of Scheme	Nature of Work/ Activities for which processing is required at CWC HQ	Nodal Directorate of RM wing	Remarks
