1.1 State-wise departure from normal of cumulative and daily rainfall

1.2 Rainfall forecast for next 5 days issued on 25th November 2024 (Midday) by IMD

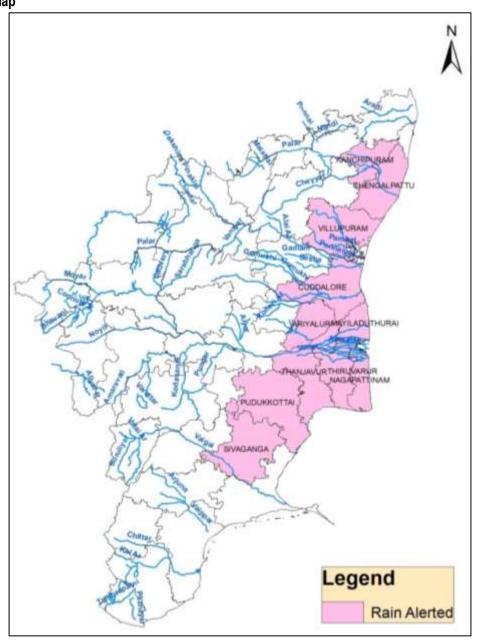

2.0 Flood Situation and Advisories

2.1 Summary of Flood Situation as per CWC Flood Forecasting Network

PART - I:	LEVEL FORECAST	(Total Sites - 200)					
S.No.	.6	ood Situations	State-wise Flood Situation	Numbers of Forecasting Site			
*		me Flood Situation: est Flood Level (HFL) is exceeded or equalled)		*			
8	Servi (Site (a) where water level is touching or		0.				
с		ormal Flood Situation: exceeding the Warning Level but below Danger Level)					
PART - II:	INFLOW FORECAST	(Total Sites - 138)					
(Whe		th inflow forecasts issued. Threshold Limit for a particular reservoir / barrage)					

Details are given at link: https://cwc.gov.in/sites/default/files/cfcrcwcdfb25.11.2024_5.pdf
Flood Situation Map

2.2 CWC Advisories

Due to the presence of Deep Depression over south Bay of Bengal and adjoining east equatorial Indian Ocean and its movement in subsequent days, the Tamil Nadu state is expected to get extremely heavy to very heavy rains from 26.11.2024 to 28.11.2024. Hence alert for water level rise may be kept mainly in rivers such as Vellar (Cuddalore, Perambalur districts), Palar (Chengalpattu dist.), Varahanadhi, Ponnaiyar, Gomukhi (Villuppuram dist. and Puducherry), Gadilam (Kallakurichi dist.), Agniyar (Thanjavur dist.), Vaigai (Sivaganga dist.), and tributaries of Cauvery in Tiruchirappali, Karur, Ariyalur, Mayiladuthurai, Thanjavur, Nagapattinam districts and Karaikal such as Amravathi, Ayyar, Arasalar, Puravidaiyanar, Nandallar, Nattar; and other small rivers in above mentioned districts. Increased inflows are expected into Vaigai, Gomukhi and Willington projects.

Note: Please follow CWC's website https://ffs.india-water.gov.in/#/ for getting information on latest water levels and flood forecast.

3.0 Advisory Flood Forecast for next 7-daysinTableform

The flood situation of FloodForecasting Stationslikely to be above warning level for next 7days

S.No.	Station	River	District	State	26-11-2024	27-11-2024	28-11-2024	29-11-2024	30-11-2024	01-12-2024	02-12-2024
1	MADURAI	VAIGAI	MADURAI	Tamil Nadu	N	N	AN	AN	N	AN	AN

Abbreviation: N: Normal Flood Situation, AN: Above Normal Flood Situation, S: Severe Flood Situation, E: Extreme Flood Situation
