2.0 CWC Advisories

2.2.1 Tamil Nadu

Alert may be kept in districts **Cuddalore, Mayiladuthurai, Nagapattinam, Tiruvarur, Thanjavur & Pudukkottai**. Water level rise is expected in rivers (particularly in delta areas) Vellar, Cauvery, Pennar, Agniar, Pambar and Palar. Reservoirs such as Mettur, Bhavanisagar, Amaravathi, Papanasam, Pechiparai, Perunchani, Sholayar and Thirumurthy dam are 80 to 100 percent filled up, hence water releases from the said dams, if required, may be done as per SOP after informing downstream districts in advance. Currently, Bhavani (Coimbatore dist.) & Marudaiyar (Ariyalur dist.) are flowing in above normal flood situation with steady trend.

2.2.2 Kerala

Alert may be kept in districts such as **Thiruvananthapuram, Kollam, Pathanamthitta, Kottayam, Ernakulam, Idukki, Wayanad, Kozhikode, Kannur & Kasaragode**, and watch may be kept in rivers Karamana, Neyyar, Vamanapuram, Kallada, Ithikkara, Manimala, Achankovil, Pampa, Moman, Pallickal, Periyar, Kabini, Kutyadi, Chaliyar, Korapuzha, Valapatnam, Chandragiri and other small rivers in north Kerala. Currently, rivers Manimala and Achankovil in Pathanamthitta district are flowing in above normal flood situation with falling trend. Water releases from Idukki, Idamalayar, Mullaperiyar may be done, if required, after informing downstream areas in advance.

2.2.3 Andhra Pradesh

Alert may be kept in districts such as **Vizianagaram, East Godavari and Vishakapatanam**. Water level rise is expected in delta areas of rivers Godavari, Krishna and its tributaries.
