D.O. No. DST/INT/NL/25th Tech Summit/2019  
2<sup>nd</sup> September 2019

Dear Upendra:

I am happy to share with you that Department of Science & Technology, Government of India in partnership with Confederation of Indian Industry, is hosting the 25<sup>th</sup> edition of Technology Summit on **15-16 October 2019 at Hotel JW Marriott, Aerocity, New Delhi.**

The yearly summit over a period of more than two decades has been instrumental in providing significant opportunities to forge and foster global technology partnerships. The Prime Ministers of Italy and UK with our Hon'ble Prime Minister have addressed the Technology Summits in the past – a significant testimony of considering Science & Technology as one of top-most priorities in the world.

This year, The Netherlands is the partner country for the Technology Summit. This year's Summit will focus on how to co-create pioneering innovative solutions for global challenges related to water, food and good health for all as a NEXUS. Apart from these key focus sectors (Agriculture & Food, Water, and Healthcare) the summit will also deliberate on areas like Design & Creative Sectors; Cyber Security; Space; Waste to Value; Education. The summit will also have a parallel track where Indian and Dutch Start-ups will pitch for winning attractive awards.

More than 200 technology experts, government leaders, eminent academicians and industry stalwarts from Netherlands would engage in B2B, B2G and G2G dialogues during the summit to explore technology & business partnerships and thereby boost innovation, investment and trade. The summit also comprises of an exposition cum experience zone showcasing innovative technologies from both the countries.

I am writing to you with the following requests:

1. Block your diary for the Inaugural Session on 15<sup>th</sup> October 2019. The heads of the States would most likely address at the Inaugural Session.
2. Deliver a keynote address at the **Agriculture+ Water Session** on **16<sup>th</sup> October 2019 at 3 pm.**
3. Accord your consent being the Government Partner (non-financial / logo support only) of the Summit
4. Present / Showcase successful case studies on NL- IN collaborations driven by your ministry / department, if any and/or new technologies at the Tech Experience Zone
5. Sign MoUs with Dutch counterparts / organization and announce new initiatives, if any
6. Encourage officials of your ministry/department to attend the summit and engage with Dutch delegation members

-: 2 :-

I am attaching the draft programme grid for your kind information. Mr. Anjan Das, Executive Director of CII (+91 98101 00589; [anjan.das@cii.in](mailto:anjan.das@cii.in)) and his team would reach out to your office with more information. I request if you could appoint a nodal person from your state for ensuring meaningful engagements in this Summit.

I sincerely hope that you would consider these requests favourably and looking forward to receiving your kind confirmation.

With regards,

Yours sincerely

(Ashutosh Sharma)

**Shri Upendra P. Singh**
